CIRCULAR 0060/2001

TO

ALL CHIEF DIRECTORS, DIRECTORS, AREA AND CIRCUIT MANAGERS, SUBJECT ADVISORS, HEADS OF INSTITUTIONS AND CHAIRPERSONS OF GOVERNING BODIES

GRANTING OF MUTUALLY AGREED TO SEVERANCE PACKAGE (MASP) TO PREPRIMARY EDUCATORS AT PUBLIC ORDINARY SCHOOLS

The WCED has, as a special concession, approved that all preprimary educators of public ordinary schools, with the exception of preprimary principals, be granted the MASP in the event of them applying for it.

Applications for the MASP from the preprimary educators must be submitted as soon as possible – preferably by 15 June 2001.

The above concession was made because these educators cannot be redeployed as posts for preprimary educators are no longer being created and because preprimary posts which fall vacant, for whatever reason, are abolished and replaced with a subsidy as explained in Circular 4/98.

This concession means that all preprimary educators at public ordinary schools and independent schools, with the exception of preprimary principals at public ordinary schools, will now be treated in the same manner as other educators in excess as far as the granting of the MASP is concerned.

In view of the above, Circular 0005/2001 is therefore also applicable to preprimary educators attached to public ordinary schools, with the exception of those aspects covered in this letter which take precedence.

You are kindly requested to bring the contents of this circular to the attention of the affected educators and to request them to sign and date it.

Your co-operation will be appreciated.
