Subject: Online system for Grade R to 9 workbooks for 2016

1. Circular 0034/2015 reported that workbooks for Grades R to 9 learners for the last 6 months of 2016 will be delivered to all public schools. These workbooks were delivered in full to all public schools by 12 February 2016. The Grade R workbooks consist of Book 3 and 4 (3rd and 4th Term) and the Grades 1 to 9 workbooks consist of Volume 2 (3rd and 4th Term).
2. In order to identify workbook shortages and surpluses for Grades R to 9, all public schools should access CEMIS between 06 and 12 April 2016. During this time schools should capture and sign off their 2016 projected learner numbers and the total number of workbooks actually received per subject for Grades R to 9 on CEMIS.
3. When accessing CEMIS, schools should select the "Administration" option on the menu bar. On the drop down list, select "Workbooks" and then select the "Welcome and guidelines" or "Capture" screen.
