- 1.4 The Western Cape Education Department (WCED) will review all schools' learner enrolments with the 2020 10th day SNAP Survey. **Final allocation** letters will be published on CEMIS by 16 March 2020.

The funds allocated in terms of this circular must be spent by 31 March 2021.

2. Payment schedule (WCED 032 form)

WCED 032 form should be based on the final allocation, as mentioned in 1.4 above.

2.1 Schools charging school fees

Non-section 21 schools must, before 03 April 2020, divide their N&S allocation for the financial year ending 31 March 2021 into the four categories on the WCED 032 form, namely learning and teaching support material (LTSM), local purchases, municipal services and maintenance. On receipt of the completed WCED 032 form, the WCED will scrutinise the budgets. Schools will be informed if their forms are incorrect and will be requested to submit revised WCED 032 forms.

2.2 No-fee schools

- 2.2.1 Of the total N&S allocation that is paid over in April–May 2020, 20% must be reserved for day-to-day operational **non-personnel expenditure**. Schools will be informed of

this amount in the N&S allocation letter. It must be borne in mind that this amount must sustain the school until April 2021, when payment will be received for the next financial year. The remaining N&S allocation for the financial year ending 31 March 2021 must be divided into the four categories on the WCED 032 form on or before 03 April 2020 (see paragraph 2.1 and 3.1 in this regard).

2.2.2 In addition, the transfer payments to all non-section 21 schools for maintenance and municipal services (for those schools who pay their own municipal accounts) will be paid as follows: 50% of the budgeted amounts (as per WCED 032) will be paid in April–May 2020 and the remaining 50% in October–November 2020.

3. **Use of the allocation**

3.1 The N&S allocation is intended primarily for LTSM, local purchases, municipal services, essential day-to-day maintenance of school buildings, grounds and equipment (non-scheduled maintenance), and other everyday expenses including workshop fees, TV licences, Internet service providers, school membership of educational associations, postage, telephone calls, rental of equipment, audit fees, bank charges, legal services, advertising, security services, public or scholar transport, vehicle hire, insurance and copying services (20% of N&S in the case of no-fee schools). Own income, as intended in paragraph 6 below, must first be used to cover shortfalls in the above regard before it is used to finance governing body posts.

It is recommended that schools divide their available allocation for 2020/21 among the various expenditure categories as follows:

- 30% for LTSM orders for 2021, of which 10% should be targeted for library material (each learner must have a textbook for every subject). The stock of school library material should be augmented annually until the total number of items reflects the minimum international standard of 10 items per learner. (See paragraph 3.1.1 below for the list of items included under LTSM.)
- 20% for local purchases
- 25% for municipal services **(However, schools should budget for a larger percentage if expenditure trends necessitate this.)**
- 25% for maintenance **(of which 25% of this allocation should be earmarked for repairs and the procurement of new equipment to safeguard the school).**

The shifting of funds on the WCED 032 form should be finalised by 18 September 2020.

3.1.1 Learning and teaching support material (LTSM)

(a) The Department of Basic Education (DBE) defines LTSM as any material that supports and facilitates teaching and learning directly in the classroom or at home (homework). It includes the following:

- Textbooks, readers, reference books, prescribed works, atlases and dictionaries
- Workbooks
- Posters, maps and wall charts
- Educational board games
- Library material (fiction and non-fiction), reference books, posters, and recordings on videos, DVDs, CDs, multi-media, etc.
- Computer software and licensing
- Resource material for educators, learners, classrooms and libraries

(b) Schools are required to use their full LTSM allocation to purchase LTSM that will enrich and strengthen the implementation of the Curriculum and Assessment Policy Statement (CAPS) in their classes. Schools are therefore encouraged to use their LTSM allocation to purchase supplementary textbooks, prescribed works, atlases, dictionaries, workbooks, posters, maps, wall charts, educational board games, library material (fiction and non-fiction), reference books, recorded videos, DVDs, CDs, computer software, as well as Consumer Studies, Hospitality Studies and science laboratory equipment.

(c) LTSM funding should also be considered for subscriptions, online applications and the renewal of contracts or proprietary digital resources. This enables schools to use LTSM funding to acquire digital resources in the transition from traditional to digital learning. Such resources encompass eBooks as well as educational software. The costing for such is currently similar to traditional hard copy textbooks with little/no significant reduction in costs. Provision should be made to enable schools to subscribe to these services/products.

(d) Subject to the following conditions, schools may assign less money to LTSM if:

- each learner in the school has a textbook for every subject and access to other LTSM resources;
- the school has annually allocated 10% of the LTSM allocation to the purchasing of library material to augment the library stock and the total number of items in the library stock now constitutes the minimum international standard of 10 items per learner; and
- the governing body has taken a formal decision regarding this deviation. (This decision of the governing body regarding the budget, which must be submitted at a parents' meeting, must be explained and the amount spent per learner on LTSM must be provided. This decision must be put before the parents' meeting, whether the circuit manager supports it or not.)

(e) How to obtain LTSM:

- Non-section 21 schools must follow the prescribed procedures in Annexure A.
- In line with Provincial Treasury instructions, where no official contract is in place, the WCED will advertise the LTSM requests of all non-section 21 schools on the Integrated Procurement Solution (IPS), which is managed by Ariba. This

system allows for competitive bidding in accordance with the legislation promulgated in terms of the Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000).

- Schools must select all top-up LTSM from the approved national catalogues that are available on the WCED website at <http://wcedonline.westerncape.gov.za/index.html>.
- The WCED informs schools annually (via circulars) of the timeframes for the ordering of CAPS top-up textbooks on CEMIS.
- For assistance in selecting school library material, schools should contact Mr Timothy Cloete/Mr Aubrey Africa, EDULIS Coordinator: School Library Services at tel. no. 021 957 9626/9628 respectively. The district school library adviser and/or resource centre coordinator can also be contacted regarding the development of school libraries.

3.1.2 Municipal services

- (a) The N&S allocation to schools is intended for the payment of, amongst others, schools' monthly municipal services accounts which include electricity, water, sewage and refuse removal (availability and usage charges), but excludes the payment of property tax. As in the past, the State will pay the property tax on property registered in the name of the Provincial Government of the Western Cape (PGWC) or in certain circumstances the Republic of South Africa (RSA).
- (b) A few schools have indicated that they do not wish to manage their own municipal services and their accounts will still be paid by the relevant district offices. The district offices will provide each school with copies of its accounts each month for examination and confirmation that the accounts are correct. **The WCED 032 amount represents what the WCED will be liable for and this will be used to pay municipal services. Schools will be liable for the payment of any municipal expenses incurred in excess of what was budgeted for on the WCED 032.**
- (c) Non-section 21 schools must calculate, using their past expenditure plus inflation adjustments, the amount they reserve for municipal services and indicate it on the WCED 032 form. This amount and the funds for maintenance will be paid simultaneously to those schools that accepted the function. **Where the N&S allocation for municipal services is insufficient, schools are expected to supplement the allocation from their own income, where necessary.**
- (d) Schools must still implement the savings measures indicated in Annexure B.
- (e) Eskom and most municipalities have indicated that they can make prepaid electricity meters available to schools. This will enable schools to better control their electricity consumption. Schools must contact either Eskom or their local

municipality, as applicable, should they want to have prepaid electricity meters installed.

- (f) **Where it is established that schools are not settling their municipal service accounts, the WCED reserves the right to withhold funds from the N&S allocation to pay outstanding municipal service accounts on behalf of the schools concerned.**
- (g) **All schools that agreed to be a part of the smart water meter pilot and have smart water meters installed at their schools must reserve funding from the municipal allocation to pay the monthly smart water meter charge.**

3.1.3 Day-to-day maintenance

- (a) Day-to-day maintenance applies to the maintenance of grounds, cleaning, renovations, guarding services, repairs and/or replacement of parts of school buildings and security mechanisms. **Regular maintenance must be carried out to prevent the deterioration of school buildings and emergency repairs resulting from neglect.**
- (b) **Where the N&S allocation for day-to-day maintenance is insufficient, schools are expected to supplement the allocation from their own income, where necessary.**
- (c) Schools must budget for their day-to-day maintenance repairs in accordance with the condition of the school buildings and grounds.
- (d) Schools should also set aside an amount from their annual day-to-day maintenance allocation for the:
 - maintenance of equipment used to enhance the appearance of the school grounds, e.g. servicing the lawnmower, purchasing paint for benches on the school grounds and purchasing lime and fertiliser;
 - maintenance of firefighting equipment i.e. hoses, reels, appropriate fire extinguishers, etc.;
 - emergency maintenance of security mechanisms or guarding services when the existing security mechanisms (including automatic gates, gate motors etc.) at a school have been compromised as a result of burglary, vandalism or age; and
 - maintenance of fencing and other security mechanisms (e.g. alarms, intercoms, etc.).
- (e) N&S allocations may not be used for day-to-day repairs to hostels. Such repairs should be funded from the learners' boarding fees and bursaries.

3.2 Schools must indicate the allocations for the maintenance of buildings, grounds and equipment as a single amount on the WCED 032 form.

3.3 Where non-section 21 schools exceed their N&S allocations, for whatever reason, the WCED will recover any overspending from the following financial year's N&S allocation to the school. This should, however, not be viewed as encouraging schools to exceed their N&S allocations.

4. **The N&S allocation may NOT be used for the following:**

- **Remuneration of governing body-appointed personnel**
- **New buildings**
- **Hostel expenditure**
- **Loans to individuals or other institutions**
- **Vehicles**

5. **Major emergency repairs**

In terms of paragraph 97 of the NNSSF, the DBE and/or the WCED must pursue resourcing mechanisms other than the school allocation in order to deal with, amongst others, urgent infrastructure repairs that are the direct and/or indirect result of historical expenditure inequities and natural disasters. The following repairs will be considered according to the Standard Operating Procedures for Emergency Maintenance in Western Cape Schools, 2014:

CATEGORY A

Serious damage: Serious infrastructure damage as a result of historical expenditure inequities, natural disasters, structural defects and/or fires that has a negative impact on the ability of a school to continue operating and/or represents a health and safety risk to learners and/or staff.

The WCED shall consider the implementation of emergency repair work where a school does not have the necessary funds available (the maintenance allocation is exhausted) and/or does not have the necessary competency to execute such work, provided that sufficient funds are available to the WCED.

6. **Own income**

In terms of section 36(1) of the South African Schools Act (SASA), 1996 (Act 84 of 1996), governing bodies must take all reasonable steps to supplement the resources supplied by the State in order to improve the quality of education provided by the school **to all learners at the school**. Although no-fee schools may not charge compulsory school fees (including registration fees), they are encouraged to seek voluntary contributions (donations) and engage in fundraising activities.

7. Reporting

- 7.1 The approved budget of the school must be submitted to the relevant district office by 01 December of each year.
- 7.2 All schools must submit a WCED 043 form (biannual report) to the relevant district office within 30 days of the end of the quarter (expenditure up until 30 June and 31 December). Furthermore, section 43(5) of the SASA requires schools to submit (for the attention of the relevant district director) a copy of their set of audited financial statements for the previous financial year by 30 June of each year.
- 7.3 Funds will only be paid over to a school if the district office certifies it to be financially sound based on the financial activities of previous quarters. **Furthermore, if a school is not certified as financially sound on or before the end of the financial year, the school may forfeit its N&S funding.**

8. Further conditions

- 8.1 The governing body must exercise proper control over revenue and expenditure, as set out in the *Manual: Basic Financial System for Schools*, issued by the Head of Department in terms of section 38(1) of the SASA. Should the members of the governing body not have the necessary expertise to carry out this function, they must co-opt someone who will be able to assist them.
- 8.2 All school funds, obtained both from the State allocation and own income, must be used for purposes directly connected with education, as stated in section 37(6) of SASA, including the acquisition of LTSM. In terms of WCED policy, textbooks and readers may not be photocopied as this is tantamount to infringement of the Copyright Act, 1978 (Act 98 of 1978).
- 8.3 The WCED has the right to inspect records relating to school funds and to act against any member of staff or the governing body should he or she be involved in the mismanagement of school funds. Schools must, therefore, keep all proof of income and expenditure for this purpose.

9. Application for section 21 status

Applications to change from non-section 21 status to section 21 status must be submitted via the district office to reach Head Office on or before 28 February 2020 on the attached application form (Annexure C). Successful schools will receive section 21 status only from the beginning of the following financial year, i.e. with effect from 01 April 2020.

Late applications will result in section 21 status only being given as from April 2021.

10. **2019/20 allocation**

The funds allocated to schools in terms of Circular 0037/2018, dated 05 October 2018, must be spent by schools before 31 March 2020.

PROCEDURES FOR THE ACQUISITION OF GOODS AND SERVICES

1. **To which schools do these procedures apply?**

All non-section 21 schools

2. **Through which office must you work?**

All non-section 21 schools must order via:

LTSM Order Office
15th Floor
Golden Acre Building
Adderley Street
Cape Town
8001

Tel. no.: 021 467 2552 Fax: 086 763 3377 Email: LTSM@westerncape.gov.za

Hereafter, this office will be referred to as the *order office*.

3. **What must you do?**

3.1 Divide your allocation into the required categories, as indicated in paragraph 3.1 of the circular, by completing and submitting electronic and original versions of the **WCED 032** forms by no later than 03 April 2020 .

3.2 **Requisition learning and teaching support material (LTSM)** by accessing the online ordering system which will be made available for a limited period on CEMIS. Schools will be informed in good time via circulars/minutes of the relevant periods when the system can be accessed. Besides ordering online, schools may be requested to submit **WCED 034** forms (signed and school stamped) to the order office for purchases for the start of the 2021 school year. Should your school not use its budget allowance for LTSM acquisitions, a nil return must be submitted. Should the school use less than the prescribed amount for LTSM, a copy of the governing body's decision and the circuit manager's letter of support must accompany the WCED 032 form as motivation.

3.3 **Requisition local purchases** by accessing the online ordering system which will be made available for limited periods on CEMIS. Schools will be informed in good time via circulars/minutes of the relevant periods when the system can be accessed. Only items that are in the catalogues will be available for online ordering. Where items are not available online, e.g. copy paper and printer cartridges, schools are required to submit an original **WCED 026 form** (signed and school stamped) **to the order office**.

Schools must ensure that each item requested on the WCED 026 form is clearly specified, that is, the description of the items must include physical dimensions such as size (e.g. height, width, length), quantity (e.g. number of items per box), etc. According to the procurement policy the Western Cape Education Department (WCED) cannot advertise for a specific brand unless that specific brand is required to fulfil the warranty requirements of equipment items. In all other instances the WCED will strive to supply items equal to the quality requested by schools.

- 3.4 The value of the items on the WCED 034 and WCED 026 forms may not exceed the allocations on the WCED 032 form. The WCED 032 form must be submitted to Head Office by **Friday, 03 April 2020**.
- 3.5 Schools with email facilities must follow the procedure below:
- Save the WCED 032 after opening the attachment.
 - Complete the form electronically.
 - Save and send it as an attachment to Priscilla.Phillips@westerncape.gov.za.

All schools must still send the **original** signed WCED 032 forms to Head Office as well. It can be posted to:

Head: Education
For attention: Ms P Phillips
Directorate: Institutional Resource Support
Western Cape Education Department
Private Bag X9114
Cape Town
8000

The original form can also be hand-delivered to:
LTSM Order Office
15th floor
Golden Acre Building
Adderley Street
Cape Town

A **copy** of the completed WCED 032 form must be retained by the school.

- 3.6 If there are problems with deliveries from overseas, suppliers must apply to the order office for approval of a later delivery date.
4. **What is meant by learning and teaching support material (LTSM)?**

The Department of Basic Education defines LTSM as any material that supports and facilitates teaching and learning directly in the classroom or at home (homework), including the following:

- Textbooks, readers, reference books, prescribed works, atlases and dictionaries

- Workbooks
- Posters, maps and wall charts
- Educational board games
- Library material (fiction and non-fiction), reference books, posters, and recordings on videos, DVDs, audio cassettes, CDs, CD-ROMs, multimedia, etc.
- Computer software and licensing
- Resource material for educators, learners, classrooms and libraries

All schools must use at least 30% of their N&S allocations for LTSM, 10% of which should be for library material. Should less than this be used, the principal, the chairperson of the governing body and the circuit manager must confirm on the WCED 032 that every learner will be in possession of sufficient, appropriate LTSM (including a textbook for each learning area or subject and, in the case of library material, a total number of library items constituting the minimum international standard of 10 items per learner), and provide a motivation in the appropriate column. In terms of WCED policy, no textbooks and readers may be photocopied as this would constitute an infringement of the Copyright Act, 1978 (Act 98 of 1978).

Local purchases include stationery, cleaning materials, and gardening and electrical supplies.

5. What does the WCED do once the forms have been received?

The WCED 032 form will be checked to determine whether the division of the allocation is realistic for the period concerned. In particular, it will be determined whether sufficient funds have been allocated for municipal services. Should insufficient funds have been allocated, the division of funds will be adjusted in consultation with the school. The WCED 032 form must be completed very carefully to prevent delays in the process.

6. How are deliveries monitored?

Schools are informed when an order is awarded to a supplier, with an indication of the expected delivery date and by when the outstanding order should be followed up with the order office. The principal must ensure that the chosen supplier delivers the LTSM within the delivery period. Should textbooks not have been received by this date, the principal must inform the order office without delay. Suppliers are encouraged to limit deliveries to one delivery per order. However, where partial deliveries are made, a delivery note must be presented with each delivery to be certified by the school.

Principals or the officials authorised to accept LTSM delivered to the school, must certify on each page of the delivery note or invoice that the delivery is correct. The certified document must be submitted to the order office within five days after the final delivery has been completed. Before the invoices are certified as correct, the

items delivered must be checked against the items listed on the confirmed order documents to ensure that only items that were ordered are delivered. **Invoices for any deliveries must not be kept at the school until the rest of the order has been delivered, but should be submitted for payment immediately.** Should the supplier not have delivered all the items by the specified delivery date, the principal may request the order office in writing to cancel the order for the outstanding items and inform the supplier accordingly.

The specimen signature form must be submitted to the order office to confirm the names of the officials authorised to receive LTSM on behalf of the school in the relevant financial year. Only invoices authorised by the principal or the approved officials will be processed for payment (see paragraph 8 below).

7. What about maintenance of and repairs to buildings and equipment?

The expenditure for the maintenance and servicing (also maintenance contracts) of photocopiers, risographs, typewriters, sewing machines, lathes, school furniture for learners and educators, etc. must be budgeted for in the annual allocation on the WCED 032 form under the budget item *Maintenance and Repair of Buildings and Equipment*. The school will be responsible for the payment of these services and must ensure that it gets value for money.

8. How is payment made for goods delivered?

The official authorised to receive LTSM at the school must certify the invoices as prescribed in Circular 0144/1998, dated 05 November 1998 (available on the WCED website). **Schools must ensure that they purchase stamps which reproduce the wording in the examples below:**

<p>GOODS</p> <p>I hereby certify that:</p> <ul style="list-style-type: none"> • the supplies were required for official purposes and for an approved service; • the supplies were received on in the correct quantity and in good condition; • the receipt of the supplies has been entered in the records; • the rates are in accordance with a contract/are fair and reasonable; and • the supplier is entitled to payment. <p>.....</p> <p>SIGNATURE OF PRINCIPAL OR AUTHORISED MEMBER OF STAFF</p> <p>.....</p> <p>NAME IN PRINT</p> <p>.....</p> <p>DATE</p>	<p>SERVICES</p> <p>I hereby certify that:</p> <ul style="list-style-type: none"> • the services rendered were necessary for official purposes; • the services were satisfactorily carried out on • the charges are according to the relative tariff, contract or agreement/are fair and reasonable; and • the supplier is entitled to payment. <p>.....</p> <p>SIGNATURE OF PRINCIPAL OR AUTHORISED MEMBER OF STAFF</p> <p>.....</p> <p>NAME IN PRINT</p> <p>.....</p> <p>DATE</p>
--	--

A specimen signature form must be submitted to the order office to confirm the names of officials authorised to receive LTSM on behalf of the school in the relevant financial year. Only invoices authorised by the principal or the approved officials will be processed for payment.

The certified proof of delivery/invoices, reflecting the above stamps and the school stamp, must be submitted to the order office within five days of receipt so that payment can be processed.

9. **What happens if the school exceeds its allocation?**

Although the WCED manages the allocation, it is the school's responsibility to ensure that the amount available is not exceeded.

SAVINGS ON MUNICIPAL SERVICES**ELECTRICITY**

- (i) Outside lights must be switched off during the day.
- (ii) Only when natural light is inadequate should classroom lights be switched on during the day.
- (iii) Only the security lights and lights of corner classrooms must be switched on at night.
- (iv) During weekends and school holidays, the abovementioned lights (see (iii)) must be switched on at night and switched off in the morning.
- (v) The installation of pre-paid electricity meters must be considered as schools will be able to exercise better control over their use of and spending on electricity. Eskom and most other municipalities have indicated that it will be possible for them to install these meters.

WATER

- (i) Municipal water restrictions, as issued from time to time by local authorities, supersede any other requirements and must, besides any other guidelines, be strictly adhered to.
- (ii) Water sprinklers must be used sparingly and turned off when lawns and flower beds are wet enough. There are service providers that install water restriction meters, such an option should be considered by schools.
- (iii) The water supply to urinals and taps outside the buildings must be closed at the stopcocks when not required, e.g. after school hours and especially during weekends.
- (iv) Staff must ensure that all taps are closed properly before they leave the premises.
- (v) Supply pipes and water meters must be checked regularly for leakages and defects. The following procedure must be followed:
 - When the school closes for the day, ensure that all taps are closed and take the meter reading.
 - Take another reading in the morning before any taps are opened.
 - Compare the readings and, if they differ, take the following steps:
 - When the school closes the next day, close the stopcocks and take a meter reading.
 - Take a reading the next morning before the stopcocks are opened.
 - If there is still a difference between the readings, it indicates that the water meter is defective or that there is a pipe leakage.
 - Make arrangements immediately to have the defective water meter and/or pipe repaired.

REFUSE REMOVAL

Monitor the number of refuse bins used. Local authorities normally levy a tariff per bin. It is therefore important to use as few refuse bins as possible. Consideration could also be given to appointing a private contractor to remove the school's refuse.
