

PROCEDURES FOR THE ACQUISITION OF GOODS AND SERVICES

1. **To which schools do these procedures apply?**

All non-section 21 schools

2. **Through which office must you work?**

All non-section 21 schools must order via:

LTSM Order Office
15th Floor
Golden Acre Building
Adderley Street
Cape Town
8001

Tel. no.: 021 467 2552 Fax: 086 763 3377 Email: LTSM@westerncape.gov.za
Hereafter, this office will be referred to as the *order office*.

3. **What must you do?**

3.1 Divide your allocation into the required categories, as indicated in paragraph 3.1 of the circular, by completing and submitting electronic and original versions of the **WCED 032** forms by no later than 09 April 2021.

3.2 **Requisition learning and teaching support material (LTSM)** by accessing the online ordering system which will be made available for a limited period on CEMIS. Schools will be informed in good time via circulars/minutes of the relevant periods when the system can be accessed. Besides ordering online, schools may be requested to submit **WCED 034** forms (signed and school stamped) to the order office for purchases for the start of the 2022 school year. Should your school not use its budget allowance for LTSM acquisitions, a nil return must be submitted. Should the school use less than the prescribed amount for LTSM, a copy of the governing body's decision and the circuit manager's letter of support must accompany the WCED 032 form as motivation.

3.3 **Requisition local purchases** by accessing the online ordering system which will be made available for limited periods on CEMIS. Schools will be informed in good time via circulars/minutes of the relevant periods when the system can be accessed. Only items that are in the catalogues will be available for online ordering. Where items are not available online, e.g. copy paper and printer cartridges, schools are required to submit an original **WCED 026 form** (signed and school stamped) **to the order office**.

Schools must ensure that each item requested on the WCED 026 form is clearly specified, that is, the description of the items must include physical dimensions such as size (e.g. height, width, length), quantity (e.g. number of items per box), etc. According to the procurement policy the Western Cape Education Department (WCED) cannot advertise for a specific brand unless that specific brand is required to fulfil the warranty requirements of equipment items. In all other instances the WCED will strive to supply items equal to the quality requested by schools.

3.4 The value of the items on the WCED 034 and WCED 026 forms may not exceed the allocations on the WCED 032 form. The WCED 032 form must be submitted to Head Office by **Friday, 09 April 2021**.

3.5 Schools with email facilities must follow the procedure below:

- Save the WCED 032 after opening the attachment.
- Complete the form electronically.
- Save and send it as an attachment to Priscilla.Phillips@westerncape.gov.za.

All schools must still send the **original** signed WCED 032 forms to Head Office as well. It can be posted to:

Head: Education

For attention: Ms P Phillips

Directorate: Institutional Resource Support

Western Cape Education Department

Private Bag X9114

Cape Town

The original form can also be hand-delivered to:

LTSM Order Office

15th floor

Golden Acre Building

Adderley Street

Cape Town

A **copy** of the completed WCED 032 form must be retained by the school.

3.6 If there are problems with deliveries from overseas, suppliers must apply to the order office for approval of a later delivery date.

4. **What is meant by learning and teaching support material (LTSM)?**

The Department of Basic Education defines LTSM as any material that supports and facilitates teaching and learning directly in the classroom or at home (homework), including the following:

- Textbooks, readers, reference books, prescribed works, atlases and dictionaries

- Workbooks
- Posters, maps and wall charts
- Educational board games
- Library material (fiction and non-fiction), reference books, posters, and recordings on videos, DVDs, audio cassettes, CDs, CD-ROMs, multimedia, etc.
- Computer software and licensing
- Resource material for educators, learners, classrooms and libraries

All schools must use at least 30% of their N&S allocations for LTSM, 10% of which should be for library material. Should less than this be used, the principal, the chairperson of the governing body and the circuit manager must confirm on the WCED 032 that every learner will be in possession of sufficient, appropriate LTSM (including a textbook for each learning area or subject and, in the case of library material, a total number of library items constituting the minimum international standard of 10 items per learner), and provide a motivation in the appropriate column. In terms of WCED policy, no textbooks and readers may be photocopied as this would constitute an infringement of the Copyright Act, 1978 (Act 98 of 1978).

Local purchases include stationery, cleaning materials, and gardening and electrical supplies.

5. What does the WCED do once the forms have been received?

The WCED 032 form will be checked to determine whether the division of the allocation is realistic for the period concerned. In particular, it will be determined whether sufficient funds have been allocated for municipal services. Should insufficient funds have been allocated, the division of funds will be adjusted in consultation with the school. The WCED 032 form must be completed very carefully to prevent delays in the process.

6. How are deliveries monitored?

Schools are informed when an order is awarded to a supplier, with an indication of the expected delivery date and by when the outstanding order should be followed up with the order office. The principal must ensure that the chosen supplier delivers the LTSM within the delivery period. Should textbooks not have been received by this date, the principal must inform the order office without delay. Suppliers are encouraged to limit deliveries to one delivery per order. However, where partial deliveries are made, a delivery note must be presented with each delivery to be certified by the school.

Principals or the officials authorised to accept LTSM delivered to the school, must certify on each page of the delivery note or invoice that the delivery is correct. The certified document must be submitted to the order office within five days after the final delivery has been completed. Before the invoices are certified as correct, the

items delivered must be checked against the items listed on the confirmed order documents to ensure that only items that were ordered are delivered. **Invoices for any deliveries must not be kept at the school until the rest of the order has been delivered, but should be submitted for payment immediately.** Should the supplier not have delivered all the items by the specified delivery date, the principal may request the order office in writing to cancel the order for the outstanding items and inform the supplier accordingly.

The specimen signature form must be submitted to the order office to confirm the names of the officials authorised to receive LTSM on behalf of the school in the relevant financial year. Only invoices authorised by the principal or the approved officials will be processed for payment (see paragraph 8 below).

7. What about maintenance of and repairs to buildings and equipment?

The expenditure for the maintenance and servicing (also maintenance contracts) of photocopiers, risographs, typewriters, sewing machines, lathes, school furniture for learners and educators, etc. must be budgeted for in the annual allocation on the WCED 032 form under the budget item *Maintenance and Repair of Buildings and Equipment*. The school will be responsible for the payment of these services and must ensure that it gets value for money.

8. How is payment made for goods delivered?

The official authorised to receive LTSM at the school must certify the invoices as prescribed in Circular 0144/1998, dated 05 November 1998 (available on the WCED website). **Schools must ensure that they purchase stamps which reproduce the wording in the examples below:**

<p>GOODS I hereby certify that:</p> <ul style="list-style-type: none"> • the supplies were required for official purposes and for an approved service; • the supplies were received on in the correct quantity and in good condition; • the receipt of the supplies has been entered in the records; • the rates are in accordance with a contract/are fair and reasonable; and • the supplier is entitled to payment. <p>..... SIGNATURE OF PRINCIPAL OR AUTHORISED MEMBER OF STAFF</p> <p>..... NAME IN PRINT</p> <p>..... DATE</p>	<p>SERVICES I hereby certify that:</p> <ul style="list-style-type: none"> • the services rendered were necessary for official purposes; • the services were satisfactorily carried out on • the charges are according to the relative tariff, contract or agreement/are fair and reasonable; and • the supplier is entitled to payment. <p>..... SIGNATURE OF PRINCIPAL OR AUTHORISED MEMBER OF STAFF</p> <p>..... NAME IN PRINT</p> <p>..... DATE</p>
--	--

A specimen signature form must be submitted to the order office to confirm the names of officials authorised to receive LTSM on behalf of the school in the relevant financial year. Only invoices authorised by the principal or the approved officials will be processed for payment.

The certified proof of delivery/invoices, reflecting the above stamps and the school stamp, must be submitted to the order office within five days of receipt so that payment can be processed.

9. **What happens if the school exceeds its allocation?**

Although the WCED manages the allocation, it is the school's responsibility to ensure that the amount available is not exceeded.

SAVINGS ON MUNICIPAL SERVICES**ELECTRICITY**

- (i) Outside lights must be switched off during the day.
- (ii) Only when natural light is inadequate should classroom lights be switched on during the day.
- (iii) Only the security lights and lights of corner classrooms must be switched on at night.
- (iv) During weekends and school holidays, the abovementioned lights (see (iii)) must be switched on at night and switched off in the morning.
- (v) The installation of pre-paid electricity meters must be considered as schools will be able to exercise better control over their use of and spending on electricity. Eskom and most other municipalities have indicated that it will be possible for them to install these meters.

WATER

- (i) Municipal water restrictions, as issued from time to time by local authorities, supersede any other requirements and must, besides any other guidelines, be strictly adhered to.
- (ii) Water sprinklers must be used sparingly and turned off when lawns and flower beds are wet enough. There are service providers that install water restriction meters, such an option should be considered by schools.
- (iii) The water supply to urinals and taps outside the buildings must be closed at the stopcocks when not required, e.g. after school hours and especially during weekends.
- (iv) Staff must ensure that all taps are closed properly before they leave the premises.
- (v) Supply pipes and water meters must be checked regularly for leakages and defects. The following procedure must be followed:
 - When the school closes for the day, ensure that all taps are closed and take the meter reading.
 - Take another reading in the morning before any taps are opened.
 - Compare the readings and, if they differ, take the following steps:
 - When the school closes the next day, close the stopcocks and take a meter reading.
 - Take a reading the next morning before the stopcocks are opened.
 - If there is still a difference between the readings, it indicates that the water meter is defective or that there is a pipe leakage.
 - Make arrangements immediately to have the defective water meter and/or pipe repaired.
- (vi) These water saving measures should be read in conjunction with Infrastructure Planning and Property Management Minute 0001/2020, dated 08 June 2020.

REFUSE REMOVAL

Monitor the number of refuse bins used. Local authorities normally levy a tariff per bin. It is therefore important to use as few refuse bins as possible. Consideration could also be given to appointing a private contractor to remove the school's refuse.
