Short summary: *Operations management (office closure) during the 2022 festive period.*

Subject: Operations management (office closure) during the 2022 festive period

1. In line with the decision of the Western Cape Government that each provincial department determines its own operations during the holiday season, it has been decided to close the Western Cape Education Department's (WCED) offices from **23 December 2022 to 30 December 2022** (five working days), except for officials performing essential duties.
2. All employees must note that their annual leave credits will be used to cover the five working days and leave forms must still be submitted as per normal.
3. This closure period has been kept as short as possible, but still in the interests of the WCED.
4. Please prioritise the completion of all submissions and finalisation of planning during the period between the annual closure of schools and the closure of the WCED so that we can resume duty on 03 January 2023, ready for the challenges of the new year.
5. Should any employee have an objection to the above or if there is an operational need for certain employees to be on duty during the closure period, the necessary motivations must be sent to the relevant Chief Director for a decision by **30 June 2022**.
6. The abovementioned decisions must be communicated to the Chief Director: People Management Practices not later than **31 July 2022** and the latter will inform the Head: Education of any anomalies to be addressed.

7. Kindly bring the contents of this circular to the attention of all employees.
