8. GENERAL PRINCIPLES

- 8.1 Institutions may allow the travel Booker or an appointed TMC to make travel arrangements on behalf of the institution in line with the institution's Travel Policy.
- 8.2 Travel bookers and travellers must impartially consider the rates and fares available. Travel bookings must not be based on personal preferences for a particular travel service provider, access to lounges or the accumulation of reward and loyalty points.
- 8.3 Travel bookers or the appointed TMC must compare the best price of the day of various airline fares, accommodation establishment rates and car rental rates before confirming a booking, to ensure competitiveness and cost effectiveness.
- 8.4 All role players involved in travel, travel arrangements, authorisations and approvals must exercise good and ethical judgement when incurring, authorising and approving travel expenses.
- 8.5 Travellers must obtain approval from the authorising official for any official business travel arrangements using the institution's travel authorisation Form and the institution's policies and processes.
- 8.6 The authorising official must satisfy him/herself of the following, prior to approving travel requests:
- a) The necessity to travel, limited to official business trips in support of the institution's mandate;
 - b) the number of travellers;
 - c) the benefit to the institution;
 - d) other alternatives to travelling (e.g. Skype, video conference, tele conference); and
 - e) compliance with the institution's Travel Policy and procedures.
- 8.7 Compliance with the institution's Travel Policy is the responsibility of all officials, travellers, travel bookers, appointed TMCs and any other person involved with travel related matters.
- 8.8 In all cases where proof of travel expenses is required, e.g. receipts, such proof must accompany the claim for reimbursement. In the absence of the proof of expenditure, the traveller must submit an affidavit, administered by a person authorised to do so by law, detailing the cost incurred and the reason/s for the absence of the receipt or proof of payment. The reasons provided must be justifiable and approved by the authorising official.

- 8.9 Travellers must safeguard the State's information and assets while travelling on official business and must avoid compromising on security.
- 8.10 Each traveller must maintain, for official business purposes, the validity of necessary personal travel documents such as a passport, visa, international driver's license, etc. The traveller may claim any justifiable costs of doing so from the institution where the relevant authorising official provides prior approval.
- 8.11 Institutions must limit international travel to critical official business trips and limit the number of the delegation to travellers directly involved in the subject matter of the meeting or event.
- 8.12 Requests for international travel must include the following:
- a) A formal invitation or motivation or both for the visit and its benefit for the institution's mandate;
 - b) an indication of whether the trip is fully or partly sponsored;
 - c) the financial implications of the visit; and
 - d) any support staff, or other officials, including the roles of each Official (if applicable).
- 8.13 The institution and the traveller must familiarise themselves with the necessary protocols prescribed by the Department of International Relations and Cooperation⁹ for International Travel.
- 8.14 Before a traveller departs on an international trip, he/she is obliged to seek advice on the following, for their own benefit:
- a) What is the most appropriate method of payment for accommodation and services, e.g. cash, virtual cards, cash cards, daily allowance advance or foreign debit cards;
 - b) what is the most practical currency;
 - c) the need to visit a travel clinic where vaccination is required;
 - d) the political and security situation in the country;
 - e) applicable business etiquette;
 - f) weather conditions; and

⁹ <http://www.dirco.gov.za/protocol/index.html>

- g) South African Embassy's office address and contact details in the country to be visited.

8.15 In order to ensure business continuity and protect the interests of the institution, the Institutional Travel Policy or any other business continuity policy must make provision for travellers that are not allowed to travel together on official business trips.

9. APPROVAL AND AUTHORISATION

9.1 The approval and authorisation processes for travel varies between institutions. It is therefore necessary that the Institutional Travel Policy or the institution's Delegation of Authority (DOA) makes provision for the appropriate approval by appropriate Authorising Officials.

9.2 The approval and authorisation processes must promote a prompt decision on whether a trip is approved or not, as many air fares and accommodation rates are 'immediately payable' or expire within hours, if not confirmed, and may result in additional cost for the institution.

9.3 The Institutional Travel Policy must make provision for international trips to be approved by the Minister, AO/AA, CEO or a delegated senior official within the institution.

9.4 If the traveller is the Head of the institution (Director General, Head of Department, CEO), provision must be made in the Institutional Travel Policy or DOA policy for a delegated official to approve such trips.

9.5 Travellers are not allowed to approve their own travel requests and travel expenditure.

9.6 All travel approvals must be in writing and signed by the authorising official prior to departure. In cases where obtaining verbal authorisation from the authorising official, it is the responsibility of the traveller to have the authorisation ratified by the authorising official within 72 hours from obtaining the verbal authorisation or where not practical, within 24 hours upon return to the place of work.

9.7 The AO/AA or delegated official may, in terms of the applicable legislation allowing an institution to delegate, and the institution's approved delegations, delegate the approval of the following:

- a) domestic and international trips with its related expenses;

- b) domestic and international chartering of aircraft (passenger/cargo);
- c) upgrade of fare class for domestic and international air travel;
- d) upgrade of accommodation to a higher star grading for domestic and international accommodation;
- e) changes to existing domestic and international travel arrangements;
- f) domestic and international after-hours reservations or emergency travel arrangements;
- g) reimbursement of travel expenses, subsistence allowances and travel advances;
- h) International trips undertaken by the Head of the institution (Director-General/Head of Department/CEO)

10. TRAVEL MANAGEMENT COMPANIES

- 10.1 The institution may appoint one or more TMCs. This must be done in accordance with the applicable SCM prescripts and Instructions issued by National Treasury to effectively and efficiently manage the institution's travel services.
- 10.2 The working relationship between the TMC and the institution must be controlled by a Service Level Agreement, which amongst others, shall require the TMC to:
 - a) obtain the best possible travel arrangements with the most competitive option when making travel bookings. In doing so, the TMC must be mindful of cost and value for money and provide competitive rates and best prices; and
 - b) constantly provide feedback on bookings including any pertinent information regarding the official business trip to the traveller, and resolutions of any concerns raised by travellers on the services rendered by the TMC.
- 10.3 The institution must manage the TMC to deliver cost-effective and operationally efficient support in achieving the institution's mandate.

- 10.4 All rates offered by TMCs to institutions for domestic air and land arrangements must be net and non-commissionable.¹⁰ This will include rates offered by domestic airlines with which National Treasury has agreements, accommodation establishments, car rental providers and the informal accommodation market e.g. guest houses, bed & breakfast or any other similar establishments.
- 10.5 A transparent relationship between the institution and the TMC must be maintained and any commissions earned through an institution's volumes will be reimbursed to that institution. Where it is found or suspected that commissions are earned by the TMC for a specific institution's travel bookings, the institution may demand that all these commissions must be declared and reimbursed to the relevant institution or set-off against the TMC fees to the credit of the institution.
- 10.6 Institutions will only pay the transaction fees and/or management fees as agreed in the Service Level Agreement between the parties and the actual cost of the airline ticket, accommodation, car hire or shuttle service.
- 10.7 In the absence of the contracted services of a TMC, institutions must administer the procurement of travel related services through the applicable procurement processes.
- 10.8 The TMC must only issue travel vouchers (accommodation and ground transportation) and air tickets after the receipt of the travel authorisation or purchase order.
- 10.9 In the event of an after-hours reservation, the TMC must execute the request based on a verbal approval or approval via short message service or email from the authorising official. The institution must present the Travel Authorisation Form or purchase order to the TMC within 72 hours after the request was executed by the TMC or where not practical, within 24 hours upon return to the place of work, to avoid irregular or fruitless and wasteful expenditure.

¹⁰ The net and non-commissionable rate means a rate that does not include any third party reward, i.e. a rate must not be marked up to include any commissions, rebates, overrides or any volume driven incentives.

10.10 The TMC must follow up with the institution and upon failure by the institution to submit the Travel Authorisation Form or purchase order, the TMC may proceed to invoice the transaction.

10.11 Travel Lodge Card ¹¹

10.11.1 Institutions may lodge their travel credit card ('lodge card") with the TMC as a mechanism to improve the regulated 30-day payment cycle for travel expenses and not to burden the TMC's cash flow.

10.11.2 The institutions may use the lodge card to pay for air travel costs. For land arrangements, such as ground transportation and accommodation, the institutions use the bill-back method or the option of virtual cards may be considered.

10.11.3 The TMCs cannot pay themselves their management/service fee through the lodge card. The Institution pays the TMC directly on receipt of their invoice.

TRAVEL BOOKINGS AND EXPENSE GUIDELINES

11. AIR TRAVEL

11.1 General Principles

11.1.1 Air travel should only be undertaken after remote communication tools, such as teleconferencing and video conferencing, have been considered. Institutions, through their authorising officials, travel bookers and, or, TMCs, must make every attempt to reduce travel costs by comparing the cost advantage of using alternative communication tools.

11.1.2 The authorising official must be satisfied that there is a demonstrated business need and must consider the following when selecting a fare for air travel:

- a) Fare class: all air travel must be booked using the best price of the day and in the class of travel permitted under this policy.
- b) Fare type: Institutional Travel Policies must address the use of restricted fare types as follows:
 - i. where there is a high degree of certainty of arrival or departure times, travellers, travel bookers and TMC must consider restricted fare types;
 - ii. where there is a possibility that a scheduled meeting will not proceed, or there is uncertainty around the time that a scheduled meeting may conclude, travellers, travel bookers and TMC must consider whether the additional cost of flexible fares outweighs the cost of possible changes or cancellation fees.
- c) Value for money: travellers, travel bookers and TMC must compare fare classes and types across airlines servicing the particular route required.
- d) Advance booking: in order to benefit from the available best price of the day, domestic travel should be booked at least seven days in advance, where possible. The most cost effective options are available when making travel bookings/reservations more than 14 days prior to departure. International travel should be booked at least three weeks in advance, where possible.

11.2 **Class of Travel**

11.2.1 **Air Travel (including travel to neighbouring and regional countries) that are five hours or less**

11.2.1.1 The standard of air travel for air travel of five hours or less must be in economy class. Any exceptions to this rule must be approved by the AO/AA or delegated official.

11.2.1.2 Business class is permitted in exceptional cases for trips less than five hours (from origin airport to destination airport) but requires prior approval of the AO/AA or delegated official.

11.2.1.3 Notwithstanding paragraphs 11.2.1.1 and 11.2.1.2, AO/AAs or delegated officials of institutions may approve the purchase of business class tickets–

- a) for travellers with disabilities;¹²
- b) for travellers with special needs¹³ based on medical grounds;
- c) in cases where economy class flights are not available¹⁴ travel bookers and, or TMC are not allowed to book business class unless approved by the AO/AA or delegated official, where it has been confirmed that the airline class was full and no other applicable flights are available;
- d) where the business class ticket is the same price or cheaper than the economy class ticket to the same destination.¹⁵

11.2.2 **International Air Travel exceeding five hours**

11.2.2.1 International travel requires the approval of the most senior official or a duly delegated official of the institution.

11.2.2.2 The standard of air travel for international flights exceeding five hours shall be economy class, however, the AO/AA or delegated official is authorised to approve a higher class based on the merits of each request.

¹² Disability for purposes of this document is defined as a person who are physically impaired and/or requires assistance to move or are depended upon a wheelchair.

¹³ Special needs mean a distinctly different need of a Traveller that requires the AO/AA or Delegated Official to make a judgment call to provide for such a need. A medical certificate noting the medical need and the applicable period of time must be provided.

¹⁴ A complete and accurate trail of such cases must be kept by the AO/AA or Delegated Official for audit purposes

¹⁵ A complete and accurate trail of such cases must be kept by the AO/AA or Delegated Official for audit purposes.

- 11.2.2.3 Business class is permitted for trips that exceed five hours (from origin airport to destination airport) but requires prior approval of the AO/AA or delegated official.
- 11.2.2.4 Business class tickets may only be purchased for the following persons, unless the person elects to fly economy class:
- a) Directors-General or persons holding equivalent ranks in departments;
 - b) Deputy Directors-General or persons holding equivalent ranks in a department;¹⁶
 - c) Persons appointed on grounds of policy considerations in terms of section 12A of the Public Service Act, 1994 (i.e. advisors to executive authorities);
 - d) AO/CEO of constitutional institutions;
 - e) Officials at the level of management that report directly to the AO of a constitutional institution;
 - f) Members of the AA (Board) of public entities (schedule 2 and 3 of the PFMA);
 - g) The CEO or other person in charge of the public entity;
 - h) Members of the CEO's executive committee that report directly to the CEO or to any other person in charge of the public entity; and
 - i) Non-executive members serving on any Governance Committee of an Institution;¹⁷
- 11.2.2.5 Notwithstanding paragraphs 11.2.2.2, 11.2.2.3 and 11.2.2.4 above, the AO/AA or delegated official may approve the purchase of business class tickets–
- a) for travellers with disabilities;¹⁸
 - b) for travellers with special needs¹⁹ based on medical grounds;
 - c) in cases where economy class flights are not available²⁰ travel bookers and, or TMC are not allowed to book business class unless approved by the AO/AA or delegated official, where it has been confirmed that the airline class was full and no other applicable flights are available;

¹⁶ This does not apply to persons holding other ranks/positions but who are remunerated at salary levels 14 or 15.

¹⁷ These Governance Committees include audit committees and risk management committees

¹⁸ Disability for purposes of this document is defined as a person who are physically impaired and/or requires assistance to move or are depended upon a wheelchair.

¹⁹ The term 'Special needs' means a distinctly different need of a Traveller that requires the AO/AA or Delegated Official to make a judgment call to provide for such a need. A medical certificate noting the medical need and the applicable period of time must be provided.

²⁰ A complete and accurate trail of such cases must be kept by the AO/AA or Delegated Official for audit purposes.

- d) where the business class ticket is the same price or cheaper than the economy class ticket to the same destination;²¹ or
- e) for a traveller accompanying a person entitled to travel at a higher class if the traveller is required to maintain contact with that person for business purposes, e.g. travelling together to make a presentation shortly after arrival.

11.2.2.6 For international trips the comparison of more expensive direct flights from the major airports versus cheaper indirect flights should always be performed. When choosing a flight, consideration should also be given to the travellers' ability to function optimally when arriving at their destination especially when travelling across time zones.

11.3 **Changes to air tickets**

11.3.1 If exceptional circumstances necessitate a change to a booking, it must be authorised by the authorising official, irrespective of whether it has a cost implication or not. Authorising officials must keep these changes to a minimum to mitigate the incurrence of fruitless and wasteful expenditure.

11.3.2 The cost associated with changes will be subject to the rules of the particular airline and may include penalty fees.

11.3.3 The cost incurred because of changes requested by a traveller for his or her convenience or lack of discipline will be for the Traveller's personal account. If the traveller does not immediately settle the additional expense, the institution will cover the initial cost, and if the traveller is found liable, recover the amount from the traveller.

11.3.4 The institution will carry the cost for changes because of changed business requirements or any circumstances outside the traveller's control, and if such expense is not justifiable, it is fruitless and wasteful expenditure.

²¹ A complete and accurate trail of such cases must be kept by the AO/AA or Delegated Official for audit purposes.

11.4 **Cancellations and Refunds**

- 11.4.1 The traveller must inform either the TMC or the travel Booker immediately if he or she realises that they will not be able to take a specific flight which has already been booked.
- 11.4.2 If the traveller will not fly to the same destination within the next six months, the air ticket must be cancelled immediately and a refund must be obtained. The refund of tickets is subject to the class of travel and airline rules.
- 11.4.3 If the traveller will be travelling to the same destination within the next six months, the air ticket must be immediately amended to the new date if the exact date is known at the time. The re-use of the ticket is subject to the class of travel and airline rules.
- 11.4.4 The traveller, travel Booker and TMC must keep record of unused air tickets and refer to such record prior to booking a new ticket. If the air ticket is not used within six months, the institution must request the TMC to cancel the air ticket prior to the expiry date.
- 11.4.5 If the traveller fails to inform the travel Booker or TMC before the air ticket expires and a cancellation fee is incurred, the institution will cover the initial cost, and if the traveller is found liable, recover the amount from the traveller.
- 11.4.6 Where non-refundable air tickets are cancelled, the TMC must disclose the amount of taxes recoverable and the TMC must recover the taxes and credit the institution accordingly. Airline rules apply.

11.5 **Baggage Allowance**

- 11.5.1 The travellers must acquaint themselves with the baggage policy of the airline that he or she will be travelling on. The airline's baggage policy will provide information on the prescribed baggage allowance and the cost for baggage in instances where the airline charges separately for baggage.
- 11.5.2 Based on the class of travel, the airline prescribes the specific number of pieces of luggage that it allows, as well as the weight and size per piece.
- 11.5.3 The traveller will incur a fee if his or her baggage exceeds the weight, specified dimensions or the number of items allowed. Such cost is for the traveller's personal account.
- 11.5.4 The institution reimburses excess baggage for exceeding the baggage allowance if it is due to a valid business reason.

11.6 **Airport Lounge Facilities**

Business class travellers and travellers with selected loyalty card status have access to the lounge facilities of the respective airlines. Lounge facilities are available at a cost to economy class travellers at certain airports. These costs are for the traveller's own personal account.

12. **ACCOMMODATION**

12.1 **General Principles**

- 12.1.1 The institution shall provide accommodation for officials who are required to perform official business duties away from their normal place of work.
- 12.1.2 Domestic overnight accommodation for travellers is limited to instances where—
 - (a) the distance travelled exceeds 300 kilometres on a return journey (150km each way) from the place of work to the destination;
 - (b) the meeting/ conference/workshop is held over a number of days; or
 - (c) the event finishes after hours.
- 12.1.3 When choosing domestic or international accommodation, the travel booker, and, or TMCs must choose the lowest rate available at suitable accommodation establishments within reasonable distance from place of duty. The travel booker will select the most appropriate star rating, based on what is allowed in this Policy, business requirements and total cost of travel (typically, accommodation rates plus transportation costs).
- 12.1.4 Domestic accommodation selected must not exceed the maximum allowable rates as prescribed by National Treasury. Any exceptions to this rule must be approved by the AO/AA or delegated official.
- 12.1.5 The AA/AO or delegated official may only approve domestic accommodation costs that exceed the maximum allowable rates under the following circumstances:
 - a) During peak holiday periods;²²

²² Peak holiday period means a period during South African school holidays and public holidays as provided for in the South African calendar.

- b) When the demand is high and the accommodation establishments are sold out;
- c) The accommodation that is still available is priced higher than the maximum allowable rates. In this case the travel Booker must book the most reasonable option and retain a record of why the maximum was exceeded;
- d) When officials are required to stay over in the accommodation establishment where the official business is conducted to avoid additional traveling cost; and
- e) If there is an operational requirement.²³

12.1.6 The area to which a traveller is travelling shall be taken into account when accommodation is booked, to ensure that it is adequate and reasonably priced. Where suitable accommodation is not available, accommodation of a comparable standard shall be arranged.

12.1.7 Special dietary requirements must be considered when the most relevant accommodation option is booked. If the accommodation establishment does not cater for special dietary requirements, then a room excluding meals must be booked (bed-and-breakfast or room only). The traveller may claim the actual expenditure for the meals (not exceeding the maximum daily amount and must be accompanied by receipts as supporting evidence).

12.1.8 Travellers are personally responsible for settling all extras on the accommodation bill, such as telephone, mini-bar items and liquor, prior to checking out.

12.1.9 Travellers are responsible for checking Accommodation bills for accuracy and signing them off prior to checking out.

12.1.10 If the traveller fails to check out and not settle the additional charges and not sign the bill, the Institution will settle the account, and if the traveller is found liable, recover the amount from the traveller.

12.1.11 Only the services approved and described on the travel voucher that correspond with the Travel Authorisation Form is for the account of the institution and the TMC only invoices this to the institution. The institution instructs the TMC to invoice all other

²³ Example: VIP Protectors to stay in the same hotel as their VIP; Visiting Heads of State / Heads of Government; during major events such as WEF, SADC etc. where the hiring of an operational room in the hotel where the VIP's are accommodated is necessary. Furthermore is it sometimes an operational requirement for an entire delegation to stay in the same place of accommodation to reduce additional travelling cost.

unauthorised expenses separately to the institution and deal with these in terms of paragraph 12.1.10.

- 12.1.12 In cases where the accommodation establishment does not offer meal facilities, the travel booker and, or TMC must book the room only or bed-and-breakfast options. The traveller may claim the actual expenditure for the meals (not exceeding the maximum daily amount and must be accompanied by receipts as supporting evidence).
- 12.1.13 Some accommodation establishments do not offer meal facilities and will provide meal vouchers in lieu of the meal which can be redeemed at facilities with which the establishment have made arrangements. The traveller may not request or demand cash from an accommodation establishment in lieu of the meal cost included in the institution's travel accommodation voucher. Such action is misconduct and must be dealt with in terms of the institution's Disciplinary Policy. In exceptional cases, where the accommodation establishment offers cash because there is no alternative, it may be accepted.
- 12.1.14 Accommodation shall only be provided for the duration of the conference or event taking place, as well as one day before and, or after such event only if circumstances necessitate this. Should a traveller request to stay longer at a particular venue/hotel, the costs shall be for the personal account of the traveller (for example if a workshop is on a Monday and the traveller prefers to travel on the Friday before, then the costs for Friday and Saturday nights shall be borne by the traveller).

12.2 **Class of accommodation**

12.2.1 **Domestic accommodation**

- 12.2.1.1 Institutions may enter into agreements, through the normal prescribed procurement process, with accommodation facilities to secure rates that are lower than the maximum allowable rates prescribed by National Treasury.
- 12.2.1.2 The maximum allowable rates are per star grading and type (room only, bed-and-breakfast or dinner-bed-and-breakfast) for domestic accommodation within which a traveller is allowed to be accommodated in accordance with his or her organisational level or position within the institution.
- 12.2.1.3 The standard class of domestic accommodation must be a three-star establishment or equivalent accommodation establishment, unless approved otherwise by the AO/AA or delegated official.

12.2.1.4 The following persons may stay in a four-star establishment or equivalent accommodation establishment, unless the person elects to stay in a lower graded establishment:

- a) AO/Director-General or persons holding equivalent ranks in departments;

- a) Where the rate of the higher star graded establishment is equal or lower than the lower star graded establishment and within the limits of the maximum allowable rates permitted;
- b) The higher star graded establishment is the only available option due to location and availability;
- c) The institution has negotiated lower rates with the higher star graded establishment and the rates are within the limits of the maximum allowable rates permitted.

12.2.1.6 In exceptional cases the AO/AA or delegated official may approve a deviation from paragraphs 12.2.1.3, 12.2.1.4 and 12.2.1.5 above with justifiable reasons and accurately recorded for audit purposes.

12.2.2 **International accommodation**

12.2.2.1 International travel requires the approval of the most senior official or a duly delegated official of the institution.

12.2.2.2 The approval submission must comply with the requirements of paragraph 8.12, with specific reference to the financial implications and be approved by the most senior official or a duly delegated official.

12.3 **No-shows and cancellations**

12.3.1 It is the responsibility of the traveller to notify either the TMC or the travel booker of any cancellations of reserved accommodation as soon as he or she becomes aware of the fact. Each establishment has different conditions/rules in terms of cancellations. Last-minute cancellations can result in the payment of a cancellation fee. The traveller must familiarise himself/herself with the cancellation policy of the specific establishment.

12.3.2 The traveller must, where it is within his or her ability, inform the TMC or the accommodation establishment if he or she expects to be arriving later than the expected arrival time, to ensure that the reservation is not cancelled or a cancellation fee is incurred.

12.3.3 If the traveller does not check in at all, or fails to cancel the booking on time, where it is within his or her ability to do so, and without notification to the TMC or the accommodation establishment, a no-show fee may be charged. In such cases the institution must settle the account, and if the traveller is found liable, recover the amount from the traveller.

12.4 **Additional Expenses**

12.4.1 All additional expenses such as private phone calls, newspapers, alcoholic beverages, toiletries, movies, gratuity for porters or waiters, room service charges,

etc. is for the traveller's own personal account. The traveller must settle these expenses at the time of departure.

12.4.2 If the traveller fails to settle the additional charges at time of check-out, the institution must settle the account, and if the traveller is found liable, recover the amount from the Traveller.

12.4.3 *Laundry/ironing/dry cleaning for domestic travel while staying in a star graded establishment.*

- a) Reasonable actual expenditure for laundry, ironing or dry cleaning may be reimbursed to a traveller, when staying in an accommodation establishment for longer than five days. Travellers must submit receipts at all times with the claims and Institutions may not accept affidavits in lieu of receipts.
- b) Should a traveller move to more than one accommodation establishment during the same official business trip, reasonable actual expenditure for laundry, ironing or dry cleaning may be claimed at each establishment. Travellers must submit receipts at all times with the claims and institutions may not accept affidavits in lieu of receipts.

12.4.4 *Laundry/ironing dry cleaning for International Travel*

A maximum of eight items every two days may be laundered or dry cleaned. The traveller must obtain prior approval for such expenses. Travellers must submit receipts at all times with the claims and institutions may not accept affidavits in lieu of receipts.
- b) A traveller may have five items ironed on arrival at the international accommodation establishment. 12.5 **Private Accommodation**

- 12.5.1 Travellers may choose to make use of private accommodation (staying with family or friends) when they have approval to spend at least one night away from home for official business purposes, subject to paragraph 12.1.2 above.

13. **GROUND TRANSPORTATION**

13.1 **General Principles**

- 13.1.1 Any journey between an official's residence and normal place of work constitutes a private journey. Where the institution requires an official to attend to official business matters at the normal place of work on a weekend or public holiday and such day is not a normal working day, the trip is an official business trip. If required to return to the place of work after hours such trip is an official business trip.
- 13.1.2 Any journey where the official departs from his or her residence directly to a place of duty and, or, returns from such a venue directly to his or her residence, is considered an official business trip. In such cases, the claim must be based on the actual kilometres travelled.
- 13.1.3 In cases where the official business trip includes both air and road travel, travel bookers and, or TMCs must select the mode and combination thereof that is the most cost-effective and practical, taking into account the total cost of the official business trip and time consumed.
- 13.1.4 Where more than one traveller/official is attending the same event or meeting, they must co-ordinate the renting of cars or shuttle services in order to reduce the cost. This provision also applies to SMS officials using their own vehicle or MMS that has structured for a vehicle allowance.
- 13.1.5 Only officials (permanent and contracted) may drive rental vehicles and institutional fleet vehicles. In exceptional circumstances, institutions may authorise other travellers to drive rental vehicles or institutional vehicles for official business purposes, subject to the completion of all relevant indemnities and approval in terms of the institution's DOA Policy.
- 13.1.6 Institutions must manage accident and damage claims against the State in terms of applicable legal frameworks and the law.
- 13.1.7 Any fines, penalties and administration fees payable as a result of the contravention of any traffic rules and regulations will be for the traveller's own personal account, whilst using an institutional or rental vehicle.

- 13.1.8 The traveller must take every precaution to safeguard a rental or institutional vehicle against damage, theft or irregular use while driving it and when it is parked.
- 13.1.9 A PDP is required to drive a minibus or bus with for more than 12 passengers including the driver. Institutions must ensure that the travel booker and, or, the TMC request that a copy of the PDP of the designated driver is submitted when booking a minibus or bus to transport travellers for official business.
- 13.2 **Use of institutional vehicles**
- 13.2.1 Officials (permanent and contracted) must use institutional fleet vehicles if they are available, as opposed to renting vehicles for official business trips (excluding officials that have structured for travel allowances). In exceptional circumstances institutions may authorise other travellers to drive institutional vehicles for official business purposes, subject to the completion of all relevant indemnities and approval in terms of the institution's DOA Policy.
- 13.2.2 In cases where institutions provide for the use of institutional vehicles for official business purposes by officials at the level of Deputy Director-General or equivalent in public entities, institutions must address the usage and rules related thereto in the institution's Travel Policy. The institution's Travel Policy must consider the tax implications of such usage.
- 13.2.3 The utilisation of institutional vehicles by institutions to transport officials between their residence and place of work must be read together with the Financial Manual²⁶ issued by the DPSA and PSCBC Resolution 3 of 1999.
- 13.2.4 Where operational circumstances require institution to provide institutional vehicles to transport officials between their residence and place of work, institutions must comply with all applicable legislation and must obtain approval from SARS for the scheme.
- 13.2.5 Where institutional vehicles are used, institutions may not pay expense claims related to kilometres claimed, except in unforeseen circumstances, such as breakdowns and refueling.

²⁶ Financial Manual for the Purposes of the Calculation of Allowances and Benefits.

13.3 **Use of public transportation**

13.3.1 Travellers may make use of public transport (i.e. Gautrain, taxis, municipal bus services, Uber, etc.) if it is safe, practical and more cost effective than the cost of car rental or shuttle services.

13.3.2 In the event that the traveller decides to make use of public transport (e.g. Gautrain, taxis, municipal bus services, Uber, etc.), the institution has the responsibility to exercise a “duty of care”²⁷ in managing and mitigating the risks to officials, operations, business continuity, reputation and safety.

13.3.3 The traveller will be reimbursed when making use of public transport for official business with prior authorisation of the official business trip.

13.3.4 The traveller must submit a receipt as proof of payment. In the absence of a receipt, the traveller must comply with paragraph 8.8 above.

13.4 **Use of private vehicles**

13.4.1 Institutional Travel Policies must make provision for the prior approval of the use of private vehicles for official business (excluding officials that have structured for travel allowance).

13.4.2 When an official is required to make use of his or her private vehicle for official business purposes, the official must obtain travel authorisation prior to commencing with the journey, if the use of the private vehicle will save time and reduce costs. Such authorisation can be granted for a specific period of time based on a work plan or as agreed to with the delegated authority.

13.4.3 In cases where an official travel to an official business event in his or her private vehicle without prior approval, the institution may not reimburse the official.

13.4.4 Under no circumstances may institutions pay fuel advances for the use of privately-owned vehicles.

²⁷ ‘Duty of care’ refers to the legal and moral responsibility that employers have to ensure the health, safety and wellbeing of their employees in the workplace and while travelling for business.

13.5 The use of private vehicles by senior managers/middle managers who have structured an amount as a vehicle allowance on their salaries and, or, who receive such an allowance through a subsidised vehicle allowance scheme

13.5.1 For departments and constitutional institutions, the terms and conditions for using private vehicles to carry out official duties by SMS members (regardless of whether they structured for a vehicle allowance or not) and Middle Management Service members who opted for a monthly vehicle allowance (SMS/MMS employee) are set out in the Public Service Handbook for SMS²⁸ and Transport Circular 9 of 2005 for Middle Management.

13.5.2 When private vehicles are used by senior managers/middle managers or any other person receiving a vehicle allowance to enable him or her to purchase, lease, rent or otherwise procure a vehicle for official business purposes, the institution applies the following:

- (d) Requirements regarding the vehicle and its use:
 - (i) the senior manager/middle manager is obliged to maintain a reliable vehicle to be used for official journeys;
 - (ii) the senior manager/middle manager must have his or her vehicle (or a substitute vehicle) available for official journeys;
 - (iii) as far as possible, the senior manager/middle manager is obliged to provide free transport to Officials travelling to the same destination on an official return journey; and
 - (iv) if the senior manager/middle manager uses his or her private vehicle to carry out official duties, the Institution will, on receiving an approved claim, reimburse the senior manager/middle manager for the official kilometres travelled, according to the Tariffs for the Use of Motor Transport,²⁹ as determined by the Department of Transport or as published by SARS which ever rate is applicable to the Institution.

- (b) If the senior manager/middle manager undertakes an official business trip, and his or her vehicle is undergoing repairs or service, the senior manager/middle manager may obtain and utilise another private vehicle. On receiving an

approved claim, the senior manager/middle manager will be reimbursed for the official kilometres travelled, as if he or she used his or her own private vehicle, according to the Tariffs for the Use of Motor Transport, as determined by the Department of Transport or as published by SARS which ever rate is applicable to the Institution.

- (c) The senior manager/middle manager must, with prior approval, use his or her private vehicle for all official business, except in cases where:
- (i) A specific duty is to be performed which requires the use of a specific type of vehicle;
 - (ii) an official journey was undertaken to a place to which he or she did not travel with his or her private vehicle, e.g. travelled by air to another destination;
 - (iii) the official was required to leave from his or her residence or place of work to a place from where he or she will depart on an official journey and back; e.g. air transport;
 - (iv) it will be unreasonable to expect from a senior manager/middle manager to use his or her private vehicle for the official journey to a place that is not accessible with the specific type of private vehicle, e.g. road conditions; and, or,
 - (v) other means of transport would be more cost-effective and, or, practical.

13.6 **Car Rental**

13.6.1 **General Principles**

- 13.6.1.1 AOs and AAs are responsible for the cost-effective management of Car Rental expenses.
- 13.6.1.2 The travel booker and, or, TMC consultant must book a rental vehicle for the period that it is actually required for official business.
- 13.6.1.3 The traveller must return the rental vehicle within the specified rental period or notify the travel booker and, or, TMC to make additional arrangements with the Car Rental Company. If the traveller fails to inform the travel booker and, or, the TMC, where it was in his or her ability to do so, and additional charges are incurred, the institution must settle the account, and if the traveller is found liable recover the amount from the traveller.

- 13.6.1.4 If the traveller needs to extend the rental period for official business purposes, the traveller must obtain approval from the authorising official and the TMC will issue a travel voucher for the extended period.
- 13.6.1.5 When renting a vehicle, the institution must give cost consideration to the vehicle group, the number of rental days, the kilometres driven, and the time and place for the collection and return of the vehicle.
- 13.6.1.6 Only the designated driver³⁰ is allowed to drive the rental vehicle at any time.
- 13.6.1.7 Any extra charges for special requests such as special models, colour, personal indemnity insurance, etc. (excluding those mentioned in paragraph 16.5 below) are the sole responsibility of the traveller and will be settled directly with the Car Rental Company. The institution will not be liable for any charges. If the traveller does not immediately settle the additional expense, the institution must cover the initial cost, and if the traveller is found liable, recover the amount from the traveller.
- 13.6.1.8 The traveller must only use the rental vehicle for official business purposes.
- 13.6.1.9 If the traveller extends his or her stay for personal reasons, the charges are for the traveller's own personal account. The traveller must enter into a separate rental agreement for the period conducting personal travel.
- 13.6.1.10 Travellers with a disability who require the use of an automatic rental vehicle and, or, travellers who have a restriction on their driver's license, may request the hiring of an automatic vehicle, with prior approval from the relevant authorising official.

13.6.2 **Class of Travel**

³⁰ Designated driver is the person identified by the Institution to take possession and responsibility for the rental vehicle at the Car Rental Company for the defined time period or any other additional person designated by the Institution to drive such a rental vehicle.

- 13.6.2.3 The following officials may hire a higher-class vehicle (categorised as “Intermediate, Standard, Premium or Luxury”), unless the person elects to hire a “Mini, Economy or Compact” type of vehicle:
- a) AO/Director-General or persons holding equivalent ranks in departments;
 - b) AO and CEO of constitutional institutions;

³¹ The term ‘Special needs’ means a distinctly different need of a Traveller that requires AO/AA or Delegated Official to make a judgment call to provide for such a need. A medical certificate noting the medical need and the applicable period of time must be provided.

- 13.6.2.7 The minimum safety requirements for any rental vehicle will include power steering, airbags, ABS, air-conditioning and central locking.
- 13.6.2.8 When the Institution appoints a Car Rental service provider through a prescribed procurement process, the institution must identify the most appropriate car group within the fleet that meets the specific description and requirements and is the most cost-effective option for each organisational level/designation. The institution's Travel Policy must reflect the specific car groups.
- 13.6.2.9 A traveller is permitted to accept a higher category of rental vehicle if such an upgrade is offered free of charge. A traveller is, under no circumstances, allowed to demand such an upgrade.

14. EXPENSE MANAGEMENT AND REIMBURSEMENT

14.1 General Principles

- 14.1.1 Institutions must have a travel and subsistence policy (Institutional Travel Policy), in terms of which the institution will pay officials, who are required to spend at least one night away from their usual place of residence on local travel for business purposes,

an allowance for each night away to cover personal expenses such as meals, refreshments and laundry.

- 14.1.2 'Subsistence' is defined as an allowance paid by the institution to the official for expenses incurred or to be incurred in respect of personal subsistence and incidental expenses while away from their usual place of residence for business purposes. The allowance is specifically not for accommodation, since the institution will arrange and pay for the accommodation separately.
- 14.1.3 Travel expenses must be properly documented and approved according to the Institutional Travel Policy. It is the traveller's responsibility to adhere to these policies and, or procedures when involved with travel expenditure on behalf of the institution. Further, it is the responsibility of the authorising official to be familiar with the reason for the expenditure and to be satisfied that they have been reported and claimed in a manner consistent with the Institution's policies and, or procedures.
- 14.1.4 Travellers are expected to:
- a) exercise good judgment with respect to expenses;
 - b) spend the Institution's money as carefully and judiciously as they would their own; and
 - c) report all expenses and advances promptly and accurately with required documentation.
- 14.1.5 Subsistence allowances are not to:
- a) enable a traveller to entertain;
 - b) compensate a traveller for any discomfort; and
 - c) supplement a traveller's salary.
- 14.1.6 The DPSA annually publishes a "Financial Manual for the Purposes of Calculation and Application of Allowances and Benefits"³³ and issues Circulars indicating any adjustments of allowances and tariffs contained in the Financial Manual.
- 14.1.7 The PSCBC Resolution 3 of 1999³⁴ makes provision for various kinds of remunerative allowances and benefits related to travel.

³³ http://www.dpsa.gov.za/dpsa2g/r_documents.asp

³⁴ <http://www.dpsa.gov.za/dpsa2g/PSCBC.asp>

- 14.1.8 Institutions to which the DPSA Financial Manual and the PSCBC Resolution do not apply must use the published SARS subsistence allowance and advance rates.³⁵
- 14.1.9 Institutions must familiarise themselves with these provisions and apply them accordingly.
- 14.1.10 The double payment of expenses is prohibited, e.g. an official may not claim for meal expenses if meals are already included in the accommodation and, or conference arrangements.

14.2 **Reimbursable expenses**

14.2.1 The following expenses are reimbursable via the institution's expense claim policy and, or procedures while on official business. Institutions only reimburse costs on submission of proof of expenditure. In the absence of a receipt or proof of payment, the traveller must comply with paragraph 8.8 above.

- a) Parking costs at airports, hotels and conferences;
- b) Toll fees (excluding SAPS and DOD who are exempt);
- c) Laundry expenses;
- d) Cost of meals (if not included in the Accommodation voucher);
- e) Mileage on the use of private vehicle;
- f) Use of business centres and communication at Accommodation Establishments or event facilities;
- g) Business travel vaccination requirements;
- h) Visas or expenses related to obtaining business visas or passports;
- i) Excess luggage if it is for business purposes;
- j) Loss as a result of exchange rate fluctuations;
- k) Public transport expenses;
- l) Refuelling of hired vehicles;
- m) Any other expense related to the official business trip on a case-by-case basis and approved by the authorising official.

³⁵ <https://www.sars.gov.za/Tax-Rates/Employers/Pages/Subsistence-Allowances-and-Advances.aspx>

14.3 **Non-reimbursable expenses**

14.3.1 The following expenses may not be claimed:

- a) Tips or gratuities for waiting staff included in the bills for meals;
- b) Room service or tray service;
- c) Alcoholic beverages;
- d) Consumable items taken from mini bars in an accommodation establishment;
- e) Personal phone calls;
- f) Private travelling;
- g) Internet connectivity for private purposes at accommodation establishments, airports and other public places;
- h) Overweight and, or over-limit baggage expenses, unless it is due to official business purposes;
- i) Fees incurred to access the health club or fitness centres of accommodation establishments; and
- j) Any other expenses not directly related to official business.

14.4 **Domestic trips longer than 24 Hour**

14.4.1 Allowances for domestic official business trips apply when travellers are away from their place of work for 24 hours or longer. It is recorded hourly thereafter.

14.4.2 The calculation of the allowance will take effect from the hour that the traveller departs from his or her place of work or residence (whichever one is the latest) and will end on the hour when the traveller arrives back at his or her place of work or residence (whichever is the earliest) on a pro-rata basis.

14.4.3 When a traveller stays in an accommodation establishment that does not provide meals, or does not cater for special dietary requirements such as Halaal or Kosher, he or she may claim a Subsistence Allowance as per paragraph 14.4.5 below.

14.4.4 The institution must apply the double claiming exclusion in paragraph 14.1.10 above to all allowances. The institution may not pay the traveller's actual meal expense claim where the meals are included in accommodation arrangements. Reimbursement of claims are not permitted where breakfast and, or, dinner is included in the accommodation rate.

14.4.5 Subsistence Allowances claimed by the travellers of an institution must be done in terms of the institution's procedures. The Minister for the Public Service and Administration determines with effect from 1 April every year, the maximum subsistence and camping allowances payable. These tariffs for domestic travel are

prescribed in terms of Part XII and XIII of PSCBC Resolution 3 of 1999. These allowances are:

a) *Special daily allowance / Incidental cost allowance*

Special daily allowance is paid to compensate for incidental expenses. In this case, Travellers may claim for Reasonable Actual Expenses for Meals. Supporting evidence is required as proof of actual expenditure or as determined by the Institutional Policy;

b) *Camping Allowance*

Camping allowance as per PSCBC Resolution No. 3 of 1999 Part XIII and annually revised by DPISA

14.4.6 Travellers to take note that any expenses claimed in excess of the SARS published rates are taxable.

14.4.7 If a traveller makes use of private accommodation while on an official business trip, the institution compensates the traveller as per paragraph 12.5 above.

14.4.8 Reasonable actual expenditure on meals³⁶ may be claimed in the following circumstances:

Breakfast

- If it is not included in the Accommodation arrangements; and, or,
- If the Traveller leaves his or her residence or Place of Work before 06h00.

Lunch

- Lunch may only be claimed if it is not provided by the host.

Dinner

- If it is not included in the Accommodation arrangements; and, or,
- If the Traveller returns to his or her residence or Place of Work after 20h00.

14.5 **Domestic Trips Less than 24 Hour**

14.5.1 When an employee is away for a day but not a night, no subsistence allowance is payable.

³⁶ Proof of actual expenses to be included when submitting a claim.

- 14.5.2 When an official business trip is less than 24 hours, the employee may claim reasonable actual expenses for meals, liquid refreshments and other expenses upon presentation of the original supporting documentation or receipts.
- 14.5.3 Other expenses such as, the usage of private vehicles, parking, toll fees and other costs as well as the use of public transport, e.g. Gautrain, will be considered for reimbursement.
- 14.5.4 In cases where meals are not provided by the host, reasonable actual expenditure for meal may be claimed under the following conditions:
- a) Three meals, where the traveller leaves his or her place of work or residence before 06h00 and only returns to his or her place of work or residence after 20h00.
 - b) Two meals, if the total duration of the official business trip is more than eight hours but less than 14 hours;

- 14.5.6 Receipts for meals must be kept and must be attached to the claim form.
- 14.5.7 In cases where receipts are lost, the traveller must submit an affidavit in terms of paragraph 8.8 above.

14.6 **International Trips**

- 14.6.1 The Minister for the Public Service and Administration determines, in terms of section 3(5)(a) and 5(6)(b) of the Public Service Act, 1994, read with the Public Service Regulations, 2016, the daily allowances in respect of certain countries for official visits abroad that will be effective 1 April of each year.
- 14.6.2 For international travel, the different allowance rates for the different destination countries are annually disclosed in the Financial Manual³⁷ issued by the DPSA and

³⁷ Financial Manual for the Purposes of the Calculation and Application of Allowances and Benefits, July 2016, Annexure A: Accommodation on Official Journeys outside the Republic of South Africa. The Institution must refer to the Financial Manual published by the Department

annually gazetted by SARS.³⁸ Institutions may use either of these documents when calculating the allowance.

- 14.6.3 The foreign daily allowance of the country of destination must be utilised to calculate the allowance.
- 14.6.4 Allowances for international travel must be calculated where the traveller is away from his or her place of work for 24 hours or longer, and hourly thereafter. The calculation of the allowance shall take effect three hours before flight departure and shall end three hours after the return flight has landed.
- 14.6.5 If the traveller travels from the country of destination to another country, the foreign daily allowance of the next country of destination is payable from the time that the traveller departs from the first country of destination, up to when the traveller departs from the next country of destination.
- 14.6.6 When a traveller returns to South Africa from abroad, a South African daily allowance (equal to the amount in respect of meals as well as incidental expenditure), will be payable to the traveller, from his or her departure out of the last country of destination up to three hours after the return flight has landed.
- 14.6.7 If a flight to the country of destination is not a direct flight and the traveller will have to spend a period of time in transit in a country other than the country of destination, the foreign daily allowance applicable to the country of destination, is payable to the traveller.
- 14.6.8 No proof of expenditure is required for the payment of a foreign daily allowance to travellers.
- 14.6.9 The purpose of the foreign daily allowance is to reimburse a traveller for expenditure in respect of meals and incidental expenditure (e.g. tips/gratuities, private telephone calls, newspapers and refreshments) and is payable to all officials up to the organisational level of Deputy Directors-General of departments, officials reporting directly to the AO of a constitutional institution, and officials reporting directly to the CEO of a public entity.

of Public Service and Administration (DPSA) and the Circulars on the DPSA website for the latest adjustments prior to implementing the allowances in the Table. https://www.dpsa.gov.za/policy-updates/nlrrm/remuneration_policy/dpsa_financial_manual/

³⁸ Determination of the Daily Amount in respect of meals and incidental cost for the purposes of Section 8(1)(a)(i)(bb) of the Income Tax Act , No 58 of 1962) – Gazetted annually by SARS.

- 14.6.10 The foreign daily allowance as set out in the Financial Manual, is payable to travellers (irrespective of rank) accompanying a Minister or Deputy Minister or a traveller who accompanies the Minister, Deputy Minister or Head of Department for the period that he or she accompanies the Minister, Deputy Minister or Director-General on their travels to reimburse the employee for expenditure in respect of meals and incidental expenditure.
- 14.6.11 The institution must apply the double claiming exclusion in paragraph 14.1.10 above to all allowances. For international travel, the institution may not pay the traveller's actual expense claim where it is covered in terms of an allowance. Meals included in accommodation arrangements will be excluded from the allowance e.g. reimbursement of claims are not permitted where breakfast and, or, dinner is included in the accommodation rate.
- 14.6.12 When expenditure on accommodation is wholly covered by public funds, the traveller is compensated on the following basis:
- a) In the event of official visits to the countries listed:
 - (i) The reasonable actual expenses in respect of accommodation, dry cleaning and laundering as per paragraph 12.4.4 above; and
 - (ii) A special daily allowance to compensate for the traveller's three meals and incidental expenses (e.g. reading matter, private telephone calls and soft drinks which do not form part of meals).
 - b) In the case of official visits to the countries that are not listed in the table published on an annual basis, the traveller may claim the following:
 - (i) The reasonable actual expenses in respect of accommodation, dry cleaning and laundering as per paragraph 12.4.4 above;
 - (ii) the reasonable actual cost of three meals per day; and
 - (iii) a special daily allowance, equal to the special daily allowance for local official visits when actual expenses are claimed, to defray incidental expenses (reading material, private phone calls, soft drinks which do not form part of meals, etc.).
- 14.6.13 The amounts set out in the Financial Manual per country are maximum amounts. When accommodation expenditure and related expenses are wholly or partially sponsored by the host, or where part of the meals (e.g. breakfast included in hotel accommodation expenses) is paid by the institution the payment of a reduced special daily allowance must be considered.

14.6.14 Provision must be made in the institution's Travel Policy for the payment of such reduced amounts. Institutions are strongly advised to consider the following breakdown of the special daily allowance to determine the reduced special daily allowance to be paid:

- a) Breakfast: 20%
- b) Lunch: 20%
- c) Dinner: 45%
- d) Incidental expenses: 15%. This covers tips, newspapers, room service, private telephone calls and soft drinks that are not part of Meals.

14.6.15 Exchange Rates

- a) The rand value of expenses relating to the journey is calculated by using the exchange rate utilised by commercial banks to sell the currency concerned on the day on which the traveller departs abroad.
- b) If the traveller is of the opinion that the date utilised for the calculation of the rand value of the expenses claimed, is prejudicial to him or her and there are sound reasons as to why another date should be utilised in his or her case and that another date should be utilised for the calculation of the rand value of a particular expense incurred in connection with the journey, the traveller must, before he or she submits the claim, apply in writing to the relevant Delegated Official that another date be used and set out reasons for the request.
- c) Losses suffered by a traveller due to an unfavourable exchange rate at the conversion of foreign currency upon his or her return from a journey abroad, are regarded as expenses relating to the journey abroad and must be claimed by the employee as part of his or her claim.
- d) In calculating the rand value of losses suffered as a result of the conversion of Rands to foreign currency and vice versa, the losses suffered will be limited to the maximum amount approved for the journey (excluding expenses incurred before the journey). Losses suffered in relation to private money taken by the employee additional to such maximum amount will be for the account of the employee.

14.7 **Travel Advances**

14.7.1 To avoid undue hardship to travellers, the institution may grant travel advances to qualifying travellers to defray S&T costs.

- 14.7.2 Travel advances may be calculated for meals, private transportation and accommodation cost if not booked via the TMC.
- 14.7.3 Travel advances for domestic travel are not encouraged but may, under exceptional circumstances and with written motivation, be approved by the AO/AA or delegated official.
- 14.7.4 Where possible, a travel advance must be approved by the authorising official, not less than seven working days prior to the official business trip.
- 14.7.5 Travel advances must not be paid out more than three days prior to departure.
- 14.7.6 For international travel, the institution may facilitate the procurement of foreign currency upon receipt of the approval.
- 14.7.7 The AO/AA or delegated official must approve the need for travel advances that are included in the financial implication of all submissions.
- 14.7.8 The AO/AA or delegated official may approve any additional items, apart from the Special Daily Allowance or Fixed Daily Allowance, as part of the travel advance.
- 14.7.9 Travel advances will not be issued to travellers with any outstanding travel advances, or as determined by the Institution's Travel Policy.
- 14.7.10 All claims in respect of S&T, where a travel advance was issued, must be submitted for reconciliation within 10 days after the traveller has returned to the place of work.
- 14.7.11 In the event that a claim is less than the travel advance, the traveller must repay the difference within five working days after being informed of the amount owing to the institution or the amount will be deducted from the travellers salary, subject to applicable prescripts.
- 14.7.12 In the event that a claim is more than the travel advance, the institution must reimburse the difference to the traveller within five working days, after receipt of the claim or on the next salary run.
- 14.7.13 If a travel advance was granted to an official for official business travel abroad, the spot exchange rate at the date of each transaction claimed must be used for the calculation of the claim. Where it is impractical to do so, a rate that approximates the actual rate at the date of the transaction shall be used, for example, an average exchange rate for a week or month.
- 14.7.14 If an official business trip is cancelled and the traveller does not pay the full travel advance amount to the institution within seven days after the cancellation date, the amount will be deducted from the traveller's salary, subject to applicable prescripts.

14.8 **Kilometre Travel Claims**

- 14.8.1 Travel costs may be claimed if an official is required to use his or her own vehicle to carry out the business of the institution. Refer to paragraph 13.4 and 13.5 above on the use of privately-owned vehicles.
- 14.8.2 All travel kilometres claimed must be based on the actual distance travelled.
- 14.8.3 Google maps can be accessed on the web to determine the distance between the place of work (office) and the place of duty (destination). This provides a guideline when determining actual kilometres travelled.
- 14.8.4 The traveller must attach the kilometre calculation to the claim form setting out the expenditure claimed to verify that the kilometres claimed are reasonable. The traveller may attach proof of a reputable map (e.g. Google maps), confirming the distance travelled.
- 14.8.5 If a traveller (other than a senior manager or a middle manager who is receiving a car allowance as per paragraph 13.5 above) uses his or her own private vehicle to carry out official business duties, the traveller will be compensated for the official kilometres travelled, either according to the Tariffs for the Use of Motor Transport, as determined by the Department of Transport or the SARS kilometre rates, whichever is applicable to the institution.
- 14.8.6 Kilometre travel claims must be submitted within 30 days after the traveller has returned to the place of work or as per the Institutional Travel Policy.

14.9 **Submission of Claims**

- 14.9.1 All claims for S&T must, where possible, be submitted within 30 days from the date of the traveller's return. Claims older than 30 days may be rejected and not paid by the institution.
- 14.9.2 Notwithstanding paragraph 14.9.1, a motivation for late submission may be considered for approval by the AO/AA or delegated official provided that:
- a) The circumstances that led to the late submission were unforeseeable and beyond the control of the traveller; and, or
 - b) The traveller had back to back or continuous official business trips and, or took a leave of absence during, or immediately after, the official business trip.
- 14.9.3 Travellers must submit claims related to a specific financial year within that particular financial year as per paragraphs 14.9.1 and 14.9.2. Only claims arising in March of a particular financial year, will be considered for payment in the following financial year.

14.10 **Sponsored Official Trips - Domestic and International**

- 14.10.1 Where a trip is funded by a sponsor, the institution is, as a rule, not responsible for making the travel arrangements and will not bear any travel expenses.
- 14.10.2 If a sponsor requests that the institution pays the travel costs up front, and, or that the expenses are only claimed from the sponsor after the trip, it is the responsibility of the institution to make the necessary travel arrangements and the traveller must:
- a) obtain proof of this arrangement with relevant contact details in writing from the sponsor prior to the trip;
 - b) state the conditions of the travel arrangement; and
 - c) provide proof of expenses (i.e. invoices, receipts, copies of tickets, etc.) to be submitted to the AO/AA or delegated official for reconciliation and claiming purposes.
- 14.10.3 If sponsors provide a daily allowance to the Traveller equal to or higher than the prescribed allowance, the traveller will not receive any allowance from the institution.
- 14.10.4 If the allowance paid by the sponsor is lower than the prescribed allowance, the traveller will receive the difference, unless the AO/AA or delegated official or the Minister decides otherwise.
- 14.10.5 In cases where the allowance paid by the sponsor is only for certain meals, the prescribed allowance per meal and, or, a flat rate of 15% for incidental expenses may be paid by the institution on approval by the AO/AA or delegated official.
- 14.10.6 If the sponsor funds the accommodation cost, the institution will not be responsible for the expenses.
- 14.10.7 Although sponsor funded trips are considered official business, it will not be the responsibility of the institution to make the necessary travel arrangements. As a result, the institution will not incur any expenses to that effect, with the exception of S&T allowances, travel insurance and other possible non-funded expenses, unless otherwise agreed between the parties.

14.11 **After-hours Reservations**

- 14.11.1 After-hour requests must be limited to emergencies and are subject to additional service charges.
- 14.11.2 If the Travel Authorisation Form or the purchase order is not available at the time of the After-Hours Reservation, the traveller or travel Booker must forward it to the TMC

within 72 hours of lodging the request. The TMC must follow up with the institution and upon failure by the institution to submit the Travel Authorisation Form or purchase order, the TMC may proceed to invoice the transaction.

15. TRAVELLER HEALTH AND SAFETY

- 15.1 It is the duty of the traveller to ensure that he or she is aware of and, or, complies with any health requirements and recommended precautions relevant to his or her travel.
- 15.2 Should it be confirmed that vaccinations may be necessary, the traveller must consult his or her doctor or travel clinic prior to commencing travel, to ensure that the necessary vaccinations are administered.
- 15.3 The institution will reimburse the official for costs related to visiting a travel clinic for all authorised official business trips. When submitting a claim, the institution will reimburse the official only if proof is provided for the costs incurred.
- 15.4 The traveller must show proof of the required vaccinations to enter the specific country. If the traveller fails to obtain the required vaccinations and the official business trip fails as a result thereof, the institution must settle the account, and if the traveller is found liable, recover the amount from the traveller.
- 15.5 The traveller must carry the necessary vaccination document with him or her at all times.

- 16.5 **Car Insurance**
- 16.5.1 The State shall bear its own damage and accident risks related to the material damage to a vehicle (institution's vehicle or rental vehicle). If a traveller sustains bodily injury or death arising from a motor vehicle accident in South Africa, an official will be entitled to the benefits provided for and prescribed in COIDA. Travellers may also be entitled to claim from the Road Accident Fund.

- 16.5.2 The institution self-insures vehicles rented for official purposes in South Africa. The traveller must decline³⁹ all waivers the Car Rental Company offers, unless the Institution's Travel Policy requires the traveller to accept the insurance waivers provided by the car rental company.

The traveller must file the same accident report with his or her institution.
- 16.5.5 Private vehicles utilised for official business trips should be insured by the owner of the vehicle. Wear and tear on the vehicle including the replacement of tyres due to mileage is included in the rate per kilometre determined by the Tariffs for the use of Motor Transport as determined by the Department of Transport, or the SARS rate, as elected by the institution.
