EXAMINATION GUIDELINES FOR GRADE 12: COMPUTER APPLICATION TECHNOLOGY

1. Find attached Examination Guidelines for Computer Application Technology (CAT) which replaces the Examination Guidelines for CAT issued in 2014.
2. In the Examination Guideline that was sent out to the Provincial Education Departments (PEDs) in 2014, Office 2007 and Libre Office were included. However in the 2016 examination, these programmes will no longer be assessed. In addition new technologies have been included as stipulated in the CAPs.
3. PEDs are requested to distribute these Examination Guidelines to all schools offering CAT in Grade 12 as these guidelines are intended to assist teachers and learners in their preparation for the 2016 National Senior Certificate(NSC) CAT examinations.
4. These Examination Guidelines are also available on the Department of Basic Education (DBE) website.
5. Enquiries regarding the CAT Examination Guidelines for Grade 12 , should be directed to Ms PE Ogunbanjo:
