Subject: Prescribed literature texts for study in Grade 12 for all official languages at Home, First and Second Additional Language levels during the period October/November 2018–May/June 2019

1. The Department of Basic Education (DBE) issued Circular S14 of 2017 (attached as Annexure A), pertaining to the prescribed literature texts for study in Grade 12 for all official languages at Home, First and Second Additional levels for the examinations to be written in October/November 2018 and May/June 2019.
2. In 2017, the Department of Basic Education (DBE) introduced new networks as per the literature catalogue released in 2015. Due to the absence of material for all genres and all languages, the DBE, through Circular E39 of 2016, outlined the implementation process to be followed towards the completion of a final catalogue in 2017.
3. It was envisaged that the process of screening new literature material would be completed and a completed set of new literature would be implemented from 2018 in all official languages. However, despite the various screening processes undertaken, some gaps persist.
4. In light of the above, the DBE hereby directs that the status quo, as outlined in Circular E39 of 2016 (attached as Annexure B), be maintained.
5. The DBE will not be prescribing new literature texts for 2018 for the National Senior Certificate (NSC) examinations in October/November 2018 and May/June 2019. It is envisaged that a final catalogue will be issued in 2018, for implementation in 2019.

6. This arrangement will be applicable to learners writing the NSC examinations in October/November 2018 and those writing the Senior Certificate examinations in May/June 2019.
7. Schools are required to continue using the prescribed literature texts as stipulated in Circular E39 of 2016.
8. Please bring the content of this minute to the attention of all concerned.

CIRCULAR S14 OF 2017

PRESCRIBED LITERATURE TEXTS FOR STUDY IN GRADE 12 FOR ALL OFFICIAL LANGUAGES AT HOME, FIRST AND SECOND ADDITIONAL LANGUAGE LEVELS DURING THE PERIOD OCTOBER/NOVEMBER 2018 – MAY /JUNE 2019

1. In 2017, the Department on Basic Education (DBE) introduced new set-works as per the Literature catalogue released in 2015. Due to absence of material for all genres and all languages, the DBE, through Circular E39 of 2016 outlined the implementation process to be followed towards completion of a final catalogue in 2017.
2. It was envisaged that the process of screening new literature material will be completed and a completed set of new literature be implemented from 2018 in all official languages. However, despite the various screening processes undertaken, some gaps still persist.
3. In the light of the above, the Department hereby directs the status quo, as outlined in **Circular E39 of 2016**, be maintained.
4. The Department of Basic Education will not be prescribing new literature texts for 2018 for the National Senior Certificate Examinations in October/November 2018. The status quo will remain. It is envisaged that the final catalogue will be issued in 2018, for implementation in 2019.

5. This arrangement will be applicable to learners writing the NSC in December 2018 and those writing the Senior Certificate in June 2019.
6. Schools are required to continue using the prescribed literature texts as stipulated in **Circular E39 of 2016**.

CIRCULAR E39 OF 2016

IMPLEMENTATION OF GRADE 12 NATIONAL SENIOR CERTIFICATE (NSC) LITERATURE SET-WORKS FOR ALL OFFICIAL LANGUAGES IN THE OCTOBER/NOVEMBER 2017 AND FEBRUARY/MARCH 2018 EXAMINATIONS

1. This Circular which relates to the implementation of the literature set-works for Grade 12 National Senior Certificate (NSC) examinations in the October/November 2017 and February/March 2018 examinations must be read in conjunction with Circular S4 of 2008 dated 8 May 2008; Circular S13 of 2013 dated 2 December 2013; Circular S15 of 2014 dated 12 November 2014 and Circular S4 of 2016 dated 28 October 2016.
2. After the release of the first Grades 10 - 12 Literature Catalogue in 2015, it was established that some languages did not have new materials in all the genres as required. The DBE undertook a subsequent screening process in 2016, in an attempt to fill the gaps. However, the 2016 screening process could still not identify suitable materials to fill all the gaps as was intended.
3. After consultation with all the stakeholders, and given that there are no new materials available in some required titles, the Department of Basic Education (DBE) has decided to put the following transitional measures in place:

Official Home Languages (HL) and First Additional Languages (FAL)

- a) Where the 2015 Literature Catalogue provides a full complement for a specific genre, the new titles will be implemented in 2017 as scheduled. For example, English Home Language has a full complement of two new novels (both classic and contemporary). This means that the two new novels will be studied in 2017, and questions set thereon in the October/November 2017 and February/March 2018 NSC literature question paper.
 - b) Where the 2015 Literature Catalogue does not provide a full complement of titles in a genre, the missing titles must be replaced by the titles from Circular S4 of 2008. For example, in the case of a Home Language with only one new drama instead of two, learners will have an option of studying the new drama or choosing one from the list cited in Circular S4 of 2008.
 - c) Where there are no new titles for a particular genre in the 2015 Literature Catalogue, titles cited in Circular S4 of 2008, will be studied and assessed in the October/November 2017 and February/March 2018 NSC examinations.
4. It is important to note that only one Poetry Anthology is prescribed for each official Home and First Additional Language. If the language level has a new anthology of poems, the October/November 2017 and February/March 2018 NSC question paper will comprise poems selected from the new anthology.
 5. Similarly, where the 2015 Literature Catalogue does not provide a new anthology of poems, for example, IsiZulu FAL, the anthology as cited in Circular S4 of 2008 will be studied and assessed in the October/November 2017 and February/March 2018 NSC examinations.
 6. Similar to poetry, only one anthology for short stories is prescribed for each official First Additional language. If the language level has a new anthology, the October/November 2017 and February/March 2018 NSC examinations will be set on the short stories selected from the 2015 Literature Catalogue.
 7. In the event where the 2015 Literature Catalogue does not provide a new anthology for short stories, for example, IsiXhosa FAL, the anthology for short stories, as cited in Circular S4 of 2008, will be studied and assessed in the October/November 2017 and February/March 2018 NSC examinations.
 8. Guidance provided in Circular S15 of 2014 with regards to Folklore (the nine official African HL) still applies for the October/November 2017 and February/March 2018 NSC examinations.
 9. Attached in **Annexure A (Page 1 - 5)** is a list of the titles of the Novels to be studied in 2017 for each official Home and First Additional Language.
 10. **Annexure B (Page 6 - 10)** comprises a list of the titles of the Drama to be studied in 2017 for each official Home and First Additional Language.

11. **Annexure C (Page 11 - 23)** comprises a list of the titles of the Poems to be studied in 2017 for each official Home and First Additional Language.
12. **Annexure D (Page 24 - 30)** comprises a list of the titles of the Short Stories to be studied in 2017 for each official First Additional Language.
13. **Annexure E (Page 31 - 40)** lists the titles of the Folklore to be studied in 2017 for each official African Home Languages.
14. **Annexure F (Page 41 - 43)** comprises a list of the titles for official Second Additional Languages.

Official Second Additional Languages (SAL)

15. Whilst the Curriculum and Assessment Policy Statement (CAPS) prescribes the introduction of four genres, namely, poetry, novel, drama and short stories, in the SAL Paper One, the selection process could not identify a full complement of suitable titles in a number of SALs.
16. As a result, the Second Additional Languages (SALs) will offer the titles that are available in the Literature Catalogue for the October/November 2017 and February/March 2018 NSC examinations. Where there are no new titles, the affected SALs will continue to offer only Short Stories for the October/November 2017 and February/March 2018 NSC examinations as per Circular S13 of 2013, except for IsiXhosa SAL. Where there are new titles, these will be implemented in addition to the existing Short Stories, except for IsiXhosa SAL.
17. New titles have been identified in the following languages and will be implemented in the October/November 2017 and February/March 2018 NSC Examinations. Refer to Pages 41 to 43 of the list of titles.
 - IsiZulu SAL and Siswati SAL, titles for new anthologies for short stories have been identified
 - In Afrikaans SAL, a new drama title has been identified.
 - In English SAL, a novel, drama and a poetry anthology titles have been identified.
 - For IsiXhosa SAL, new novel and drama title have been identified.
 - In Setswana SAL, a new novel title has been identified.
18. PEDs are urged to bring this Circular to the attention of the schools under their jurisdiction.
