**Subject: Primary school reading intervention in First Additional Language**

1. The Department of Basic Education (DBE) in collaboration with the National Education Collaboration Trust (NECT) introduced a Primary School Reading Intervention Programme (PSRIP EFAL) for First Additional Language (FAL) in 2017. The purpose of the programme was to strengthen reading and comprehension in FAL in Foundation Phase.
2. In 2017, the PSRIP EFAL was rolled out by the Western Cape Education Department (WCED) in 76 schools within the 100-schools project (phase 1) across six districts. The programme was extended in 2018 to an additional 29 schools in the remaining two districts.
3. In 2019 the DBE, in collaboration with the NECT, will roll out the programme to an additional 84 schools in the Foundation Phase. (See Annexure A)
4. This minute serves to notify schools that they will be included in phase 2 of the programme.
5. EFAL training for phase 2 schools will take place during January to 20 February 2019 and again in July to August 2019.
6. The duration of the training is approximately twelve hours per training session. All teachers teaching First Additional Language in Foundation Phase are required to attend the training. A separate training session will take place for all School Management Team (SMT) members to orientate them on the programme.
7. Districts will communicate the dates and venues of this training in advance.
