

Ukhuphiswano IweLayibrari

OlungoTitshala wam oyiNgwane (oyi-Okthophasi)

- Ingaba utitshala wakho ungoyena mntu ukunike inkxaso enkulu ngethuba likabhubhane we-Covid-19?
- Ingaba udlala iindima ezininzi ezahlukileyo ngaxeshanye yonke imihla?
- Ingaba iincwadi okanye izibonelelo ze-eLearning ezingaphezulu zenza umsebenzi wabo ubelula noko?

ISebe **iWCED** libhiyozela ootitshala bethu neNyanga yeLayibrari yeSikolo yaMazwe Jikelele ngokhuphiswano lweelayibrari zezikolo, yaye isikolo sakho sinokuphumelela i-R20 000 yezibonelelo zelayibrari neze-eLearning. Into ekufuneka niyenzile nina kukusixelela ukuba kutheni na ootitshala benu bengabona bagqwesileyo, nokuba banincede njani kulo nyaka. Thethani nezikolo zenu malunga nokungenela ukhuphiswano nize nisincede sibonise bonke ootitshala bethu ukuba babaluleke kangakanani na kuthi.
