Notes:

1. It is the responsibility of the originator of the request to ensure that the correct application form is used, that it is completed correctly, signed by all of the relevant role-players, confirmation of funding is clear, it contains sufficient motivation of what the request is for, for who it is intended and why the requested ICT items or services are in fact required.
2. Additional information may be provided by way of annexures.
3. Ad-hoc applications will be only considered in extreme or urgent cases and must be presented directly to the Chairperson of the IT Operational Committee by the originator of the request.
4. Request for IT services and hardware from the EDO's must first be vetted by the relevant ICT Services managers in consultation with the relevant Technology Managers to ensure consistency of policies, guidelines and standards. This will avoid unnecessary delays and speed up applications to the ITOPSCOM.
5. Late applications will no longer be tolerated and must reach the Secretariat at least 7 days before ITOPSCOM meetings.
6. An indication of the estimated costs must be provided
7. The originator of the request must ensure that their Branch representative is present at the ITOPSCOM meeting in order to present their case, failing which the originator must attend the ITOPSCOM meeting to present the application.
