Back on Track

with school libraries!

Celebrating International School Library Month

The WCED is holding a school library competition, and **you can win R30 000 for your school** to spend on library resources!

We want you to tell us:

- How do school libraries help learners to get *#BackOnTrack* after the Covid-19 pandemic?

- If there is no school library, how would having one help learners get *#BackOnTrack*?

- How would winning school library resources help your school?

Categories:

1. **Grades 1-3 and LSEN:** Poster/Drawing Competition.

2. **Grades 4 -12:** Poetry Competition.

Ask your school for the information about how to enter!

Closing date:
13 December 2023
