

File no.: 19/2/P  
Reference: 20230301-1993

Assessment Management Minute: 0006/2023

To: Deputy Directors-General, Chief Directors, Directors (Head Office and district offices), Deputy Directors, Chief Education Specialists, Heads: Curriculum Support, Heads: Management and Governance, Circuit Managers, Deputy Chief Education Specialists, Assessment and Examination Coordinators, Subject Advisers, and Heads of education institutions that prepare candidates for the National Senior Certificate examinations

**Subject: Distribution of Grade 12 Diagnostic Report on Learner Performance: 2022 National Senior Certificate (NSC) Examinations**

1. The Department of Basic Education (DBE) has released the 2022 Diagnostic Report on Learner Performance in the 2022 NSC examinations. This report was developed in selected high enrolment subjects, Home Languages and Technology subjects.
2. The 2022 Diagnostic Report on Learner Performance is organised in three parts:  
  
Part 1: Content subjects (non-languages)  
Part 2: Languages  
Part 3: Technology subjects
3. Districts need to ensure that these diagnostic reports are distributed and mediated to all teachers offering these subjects in Grade 12.
4. For each subject, information is provided which includes
  - insight into candidates' performances;
  - performance of candidates per question for all papers in the subject; and
  - other relevant information such as common errors made as well as suggestions for improvement.

5. The 2022 Diagnostic Report on Learner Performance is available on the DBE website. The following link can be used to access this website:  
<https://www.education.gov.za/Resources/Reports.aspx>
6. District officials and principals are requested to bring the content of this minute to the attention of all relevant educators.
