The booklet provides study tips, examination tips, bursary information, a course outline for all subjects, QR codes for Telematics videos and other useful information.
2. The digital version of the booklet can be accessed via the following link:

3. Booklets will also be printed for every Grade 12 learner and will be available at the district offices at the beginning of Term 2.
4. In order for these booklets to have the desired effect of assisting candidates with their exam preparations, **it is strongly recommended that teachers mediate the content of the booklet with their Grade 12 classes** and encourage candidates to use it optimally during the course of the year.
5. Past NSC examination question papers and marking memoranda can be accessed at <https://wcedonline.westerncape.gov.za/documents/Matric/matric-n/index.html>.
6. Kindly bring the content of this minute to the attention of all Grade 12 educators.
