1. This minute must be read in conjunction with the following Western Cape Education Department (WCED) minutes and circulars:

Minute/Circular	Description	Date published
Circular 0017 of 2021	Implementation of the abridged version of <i>Curriculum and Assessment Policy Statement (CAPS) Section 4</i> amendments in Grade 12	13 April 2021
Curriculum and Assessment Minute 0002 of 2021	2021 Examination Guidelines for Grade 12	11 May 2021
Assessment Management Minute 0013 of 2021	Errata on the Grade 12 examination guidelines for 2021: NSC examinations	24 August 2021

2. The NSC examination guidelines which were approved by Umalusi, were released for implementation in 2021, 2022 and 2023. This follows the amendment of Section 4 of the CAPS.
3. The examination guidelines are scheduled to be reviewed on a three-year cycle to keep abreast with amendments to policies that affect curriculum and assessment/examinations. Given the conclusion of the three-year cycle, the examination guidelines were scheduled to be reviewed, but were subsequently released for implementation in the 2024 academic

year. Since the process of strengthening the curriculum is currently unfolding, it is considered appropriate to await the finalisation of that process before any amendments to the examination guidelines are made.

4. The WCED received Circular E17 of 2023, dated 08 December 2023, from the Department of Basic Education to inform schools of the extension of the validity period of the 2021 NSC examination guidelines. Therefore, the examination guidelines that were introduced in 2021 remain valid and must be implemented in 2024 in all the schools offering Grade 12 NSC subjects. There are no changes to the CAPS for 2024.
5. The 2021 examination guidelines may be accessed via the following link: <https://www.education.gov.za/2021Grade12ExamGuidelines.aspx>.
6. It must be noted that subjects that have specific topic and content areas that are being taught and assessed over a three-year cycle will continue with the 2021 topics and these topic and content areas will be taught and assessed for the 2024 academic year.
7. Kindly bring this information to the attention of all Grade 12 subject educators and learners.
