

COMPILED BY CHIEF EXAMINER: BM NOMTSHONGWANA

**QUESTION 1**

In general candidates did not struggle to answer this question. Most of the candidates obtained very, very good marks for question 1.

**QUESTION 2**

**2.1**

2.1.1 and 2.1.2 were also being answered in a satisfactory way and reasonable marks were obtained by candidates.

**2.2**

2.2.1 where candidates struggled to name the document to use when registering as a public company.

2.2.2 however was answered fairly well.

2.3 where candidates tend to ignore the first part of the question where they were required to start with yes/no, followed by the explanation. Candidates therefore lost marks in 2.3.

**QUESTION 3**

3.1 and 3.2 were answered very well by candidates.

3.3 not very problematic, although some candidates were not able to draw distribution channels well. Second part of the question was answered fairly well.

**QUESTION 4**

4.1 most candidates could not identify the type of shares that they were suppose to identify or if identified, only part of the answers was given.

4.2 – 4.4 simple and straightforward, so the candidates who chose to do this question scored marks.

4.5 again the answer to first part of question was yes and if candidates gave no as an answer, the second part of the answer was automatically wrong. However those candidates with a yes answer scored marks.

## QUESTION 5

### 5.1

5.1.1 – 5.1.4 problematic in a sense that candidates answered this question as a whole and did not adhere to questions on the sub-sections. Full marks were given if answered even if calculations were wrong.

### 5.2

5.2.1 – 5.2.4 candidates scored marks if they have identified correctly. Those candidates who identified wrongly lost out.

5.3 was easy scoring of marks.

## QUESTION 6

### 6.1

6.1.1 – 6.1.3 most candidates were again able to obtain full marks for this question if their answers were numbered correctly.

6.2 candidates got confused as a result marks were lost in this section by the majority who opted for this question.

6.3 most candidates scored full marks here.

## QUESTION 7

7.1.1 – 7.1.5 candidates could give an abbreviated word as answers those who opted for full word of institution lost marks if spelled incorrectly.

7.2 – 7.4 most candidates obtained good marks for this question. However some candidates got confused with institutions.

## QUESTION 8

### 8.1

8.1.1 – 8.1.2 candidates could not get to the meaning of centralization and therefore, this part of the question was answered poorly.

### 8.2

8.2.1 – 8.2.2 candidates scored good marks in this section as both questions required almost same answers.

8.3 candidates wrote example of insured interest as their answers instead of advantages of insurance.

## QUESTION 9

Candidates answered all six questions instead of choosing only four as instructions required for them. Only first four were marked and most of the marks were obtained in 9.6. Those who attempted 9.5 could only name two documents other candidates none.
