

QUESTION 1

The comprehension question was well answered by all candidates.

Question 2

Some candidates did not follow a proper sequence when summarising and some points were inadequately expressed, i.e. the point itself was summarised. Teachers must give candidates more practice in summary writing.

Question 3-section c

This question on synonyms, antonyms, proverbs and general knowledge of grammar was very well handled by most centres.

Question 4 &5

Some candidates did not follow instructions in this question.

Question 6 section D

The language editing was well done by most candidates, although a minority of candidates experienced great difficulty with this question.
