Dear Candidate

REWRITE OF MATHEMATICS PAPER 2 AND PHYSICAL SCIENCES PAPER 2

By now you will be aware that the Mathematics Paper 2 and Physical Sciences Paper 2 leaked in other parts of the country and were accessible to some candidates in a variety of provinces.

The Department of Basic Education has consequently decided, as announced by Minister Motshekga on Friday, 04 December 2020, that these two papers (Mathematics Paper 2 and Physical Sciences Paper 2) must unfortunately be rewritten by all candidates in the country.

I realise that this will be disappointing to all the candidates that have to rewrite these examinations, but it is ultimately in your interest. The results that you receive must be credible.

Whilst you may be disappointed, I again urge you to concentrate on completing the remaining examinations and to use all the available time to prepare for the rewrites which are scheduled to be rewritten as follows:

- **Mathematics Paper 2:** 15 December 2020 at 14:00
- **Physical Sciences Paper 2:** 17 December 2020 at 09:00

As I indicated before, having recently written these papers you now have experience of writing them, so it may stand you in good stead. You now know exactly what to expect in terms of the format and standard, although the content will obviously be different.

I know that this may also have an impact on some of your plans that you may have scheduled for after your examinations, which may also be disheartening.

I wish you everything of the best for the successful conclusion of the National Senior Certificate examinations. We are supporting you all the way.

Yours sincerely,

BK SCHREUDER

Beste Kandidaat

HERSKRYF VAN WISKUNDE VRAESTEL 2 EN FISIESE WETENSKAPPE VRAESTEL 2

Julle sal teen hierdie tyd bewus wees dat die Wiskunde Vraestel 2 en Fisiese Wetenskappe Vraestel 2 in ander dele van die land uitgeleek het en van die kandidate in 'n hele paar provinsies toegang daartoe gehad het.

Soos deur Minister Motshekga op Vrydag, 04 Desember 2020 aangekondig is, het die Departement van Basiese Onderwys gevolglik besluit dat hierdie twee vraestelle (Wiskunde Vraestel 2 en Fisiese Wetenskappe Vraestel 2) ongelukkig deur alle kandidate in die land oorgeskryf moet word.

Ek besef dat alle kandidate wat hierdie eksamens moet oorskryf, teleurgesteld sal wees, maar dis op die ou end in julle eie belang. Die uitslae wat julle ontvang, moet geloofwaardig wees.

Alhoewel julle teleurgesteld mag wees, wil ek julle weer eens aanraai om te fokus op die afhandeling van die oorblywende eksamens en om alle beskikbare tyd te gebruik om vir die herskryf van die eksamens, wat soos volg beplan is, voor te berei:

- **Wiskunde Vraestel 2:** 15 Desember 2020 om 14h00
- **Fisiese Wetenskappe Vraestel 2:** 17 Desember 2020 om 09h00

Soos ek voorheen aangedui het, het julle nou ondervinding van hoe om die vraestelle te skryf omdat julle dit so onlangs geskryf het, en dit kan julle dus tot voordeel strek. Julle weet nou presies wat om te verwag betreffende die vorm en standaard, alhoewel die inhoud natuurlik gaan verskil.

Ek weet dat dit ook 'n uitwerking mag hê op party van julle na-eksamenplanne wat julle dalk gemaak het, wat ook ontmoedigend mag wees.

Ek wens julle alles van die beste toe vir die suksesvolle afsluiting van die Nasionale Senior Sertifikaat-eksamens. Ons ondersteun julle entuit.

Beste wense,

BK SCHREUDER
