- 3.8 The OSD provides for dual career paths in terms of which professionals and specialists can progress to levels where they earn salaries that are equal to/or higher than that of managers without moving into management/supervisory posts.
- 3.9 The OSD will allow Departments to address the challenges of attracting and retaining educators in Education.
- 3.10 The Occupation specific dispensation for educators provides for:
 - 3.10.1 Salary/Remuneration structure, including number of notches and percentages between notches;
 - 3.10.2 Benefits and allowances to be consolidated into salaries;
