Amazing adventure

Amazing adventure

At Story Stars Planet here are a lot of trees. Instead of apples and pears hanging on the trees, books are hanging on the trees. Felix and Felicity looked around in astonishment. “Wow” said Felix.

Suddenly, they heard a voice behind them. “*Hi! my name is Zia! I am a bookworm with wings!*” Zia was a purple bookworm with blue hair, green wings and silver glasses on her nose. “*No way, are you Felix and Felicity?*” “*From the dance off?*” Everybody closed to them stopped reading, looked up and smiled.

When everybody started to read again, Zia told them, never ever go near King Book Fly! *He is MEAN! If you come near him, he will order one of his Flying Meaners to sting you!*” said Zia

“*Flying Meaners? Who are the Flying Meaners?*” asked Felicity, but before Zia could answer she heard a bzzzz, bzzzz, bzzzz. “*Oh no!*” said Zia. “*It's the Flying Meaners.*” Quick, run!”

Felix and Felicity ran and ran with all their might! While Zia flew as quick as she can above their heads. Zia said: “*Head for that portal! Over there!*” While they were on their way, they passed by a cupboard, Zia saw that King Book Fly’s favourite book was gone! Zia yelled as hard as she could: “*King Book Fly’s book of mysteries is gone!*” Everybody closed their books, straightened their glasses and rose up in the air.

The army got so scared they ran away as quick as they could. Except the chief just stood there, astonished to see his team running away! All of the Bookworm told him: “*Hand over the book!*” So he handed over the book and ran away, yelling and screaming in fright.

Felix, Felicity and Zia ran to the portal. They climbed the stairs and when they got to the top, they opened the book and decoded the key to open the portal. The key was the following: Bing ching ding. Zia said: “*Bing ching ding, open up.*” The portal opened. Felix said: “*Bye Zia! Thank you for saving us!*”

Felix and Felicity jumped through the portal into their spaceship. “*I enjoyed that adventure!*” said Felicity. “*I wonder what will be our next adventure?*” said Felix. “*I hope it will be fun.*”

'n Wonderlike avontuur

Daar is baie bome op die Storiehelde-planeet. In plaas van appels en pere, hang daar boeke aan die bome. Felix en Felicity kyk verbaas rond. "Sjoe," sê Felix.

Skielik hoor hulle 'n stem agter hulle. "*Hello! my naam is Zia! Ek is 'n boekwurm met vlerke!*" Zia is 'n pers boekwurm met blou hare, groen vlerke en 'n silwer bril op haar neus. "*Kan dit waar wees? Is julle regtig Felix en Felicity?*" *Van die danskompetisie?*" Almal rondom hulle hou op lees, kyk op en glimlag.

Toe almal weer begin lees, sê Zia vir hulle om nooit ooit naby Koning Boekvlieg te kom nie! *Hy is GEMEEN! As jy naby hom kom, sal hy een van sy Vieslike Vliegers opdrag gee om jou te steek!*" sê Zia.

"*Vieslike Vliegers? Wie is die Vieslike Vliegers?*" vra Felicity, maar voor Zia kan antwoord, hoor hulle 'n bzzzz, bzzzz, bzzzz. "O, nee!" sê Zia. "*Dis die Vieslike Vliegers. Hardloop, gou!*"

Felix en Felicity hardloop so vinnig as wat hulle kan! Zia vlieg so vinnig sy kan bo hul koppe rond. Zia sê: "*Hardloop na daardie portaal toe. Daar oorkant!*" Terwyl hulle op pad is, hardloop hulle by 'n kas verby en Zia sien dat Koning Boekvlieg se gunstelingboek weg is! Zia skree so hard sy kan: "*Koning Boekvlieg se boek met raaisels is weg!*" Almal maak hulle boeke toe, skuif hul brille reg en styg in die lug op.

Die soldate raak baie bang en hardloop weg so vinnig as wat hulle kan. Die leier bly net daar staan, verstom om sy span te sien weghardloop! Al die Boekwurms sê vir hom: "*Gee die boek vir ons!*" Hy gee die boek vir hulle en is so bang dat hy gillend en skreeuend weghardloop.

Felix, Felicity en Zia hardloop na die portaal toe. Hulle klim met die trappe op en toe hulle bo kom, maak hulle die boek oop en ontsyfer die kode om die portaal oop te sluit. Die kode is: Bing ching ding. Zia sê: "*Bing ching ding, maak oop.*" Die portaal gaan oop. Felix sê: "*Totsiens, Zia! Dankie dat jy ons gered het!*"

Felix en Felicity spring deur die portaal in hulle ruimteskip. "*Ek het hierdie avontuur geniet!*" sê Felicity. "*I wonder wat ons volgende avontuur gaan wees?*" sê Felix. "*Ek hoop dit sal pret wees.*"

Uhambo olungaqhelekanga olumangalisayo

Apha kwiPlanethi i-Story Stars kukho imithi emininzi. Endaweni yokuba kujinge ama-apile namapere, kujinga iincwadi emithini. U-Felix no-Felicity bayibuka le mithi bemangalisiwe. WOW! Watsho u-Felix.

Ngequbuliso, beva ilizwi emva kwabo. “*Molweni ! Igama lam ngu-Zia. Ndiyibhukhwem eneempiko !*” U-Zia wayeyibhukhwem epepuli eneenwele eziblowu, iimpiko eziluhlaza neeglesi ezisilivere empumlweni yakhe. “*HAYI ! Ingaba ningu-Felix no-Felicity “Aba bakukhuphiswano lokujayiva ?*” Abo babekufutshane kubo bayeka ukufunda, bajonga kubo bancuma.

Akuqalisa kwakhona ukufunda wonke umntu, u-Zia wathi kubo, ningaze niphinde nisondele ku-King Book Fly ! *UKHOH LAKELE ! Ukuba usondela kuye, uza kuyalela esinye seziKhohlakali zakhe eziBhabhayo (Flying Meaners) sikufake ulwamvila (sting)!*” watsho u-Zia

“*IziKhohlakali eziBhabhayo? Zingobani ezo ziKhohlakali ziBhabhayo?*” wabuza u-Felicity, kodwa phambi kokuba aphendule u-Zia weva isandi esithi bzzzz, bzzzz, bzzzz. “*IYHOOOO !*” watsho u-Zia. “*ZiziKhohlakali eziBhabhayo.*” *Khawulezani, balekani !*”

U-Felix no-Felicity babaleka ngamandla abo onke! Ngelixa u-Zia ebhabha ngokukhawuleza kangangoko anako ngaphezu kweentloko zabo. U-Zia wathi: “*Khangelani la portal! Ngaphaya!*” Ngeli lixa babesendleleni, badlula ngasekhabhathini, u-Zia wabona ukuba incwadi awayeyithanda kakhulu u-King Book Fly yayinyamale! U-Zia wakhwaza kangangoko wayenako: “*Incwadi yeemfhlakalo ka-King Book Fly ayisekho!*” Bonke Bavala iincwadi zabo, balungisa iiglesi zabo babhabhela phezulu.

Umkhosi woyika kangangokuba wabaleka ngokukhawuleza kangangoko wawunako. Ngaphandle kwenkosi eyema apho, imangalisiwe kukubona amaphakathi ayo ebaleka! Zonke iibhukhwem zathi kuyo: “*Sinike incwadi!*” Yayinikezela incwadi yaze yabaleka, ikhwaza yaye ikhala kukoyika.

U-Felix, u-Felicity no-Zia babaleka ukuya kwi-portal. Banyuka izitepisi yaye xa befika phezulu, incwadi yavuleka yakhupha ikhowudi esisitshixo sokuvula i-portal. Ikhowudi yokuvula yaba koku kulandelayo: Bing ching ding. U-Zia wathi, “*Bing ching ding, vuleka.*” Isango le-portal lavuleka. U-Felix wathi: “*Nisale kakuhle Zia! Enkosi ngokusisisindisa!*”

U-Felix no-Felicity batsibela kwi-portal yokungena kwisiphekepheke sabo. "Ndilonwabele olwa hambo lungaqhelekanga!" watsho u-Felicity. "Ndiyazibuza ukuba luza kuba yintoni uhambo lwethu olungaqhelekanga olulandelayo?" watsho u-Felix. "Ndiyathemba ukuba luza kuba mnandi."

Battling the Bully

Battling the Bully

Ashtastic, the flying unicorn, found Felix and Felicity and offered them a ride.

"I'm in a rush. I have to make it back before the bell rings for break."

The two hopped on, excited for another adventure after their African Safari.

They blasted off with Ashtastic.

The passengers saw children playing and eating their lunches around the playground as Ashtastic hovered, searching for a place to land without disturbing the other learners.

"Phew! We made it in time. "Now I can introduce you to my friend," said Ash who transformed from Ashtastic.

"This is my friend, Umar. He is new here," explained Ash. Felix and Felicity greeted Umar and introduced themselves to him.

Umar was sitting on a bench by himself. He was holding his knee.

"What happened to your knee?" asked Felicity.

"Bruce Bruiser, the school bully, pushed me when we were coming out of classroom for break."

At that moment, the school bully walked up to them. "Is little Umar hurt?" He didn't wait for a reply, he simply let out a monstrous laugh.

Felix stepped in front of Umar, blocking him from the bully. "Umar, drop the beat!" instructed Felix.

Felix started to rap:

Bullies are bad

Bullies make you mad

Don't give them the time of day

Bullies stay out of our way

Bullies beware

If you've been bullied then share

No need to hide or cry

What the bully tells you is a lie

No need to fight or swear

Show the bully you don't care

No need to scream

Be part of our anti-bullying team

Now's the time

To put an end to this crime

The bully dropped a beat and started to rap. Bruce started off with: "Felix looks like an alien!"

The crowd of learners went silent.

Bruce didn't know what else to say.

He decided it was best to walk away. The crowd of learners cheered because the school bully wouldn't be a problem anymore.

"That was fun," said Felicity. "It seems our job here is done," continued Felix.

Felix and Felicity took off in their spaceship in search of another adventure.

.....

Baklei teen Boelies

Ashtastic, die eenhoring met vlerke, vra vir Felix en Felicity of hulle saam met hom willy.

"Maar ek moet roer. Ek moet terug wees voor die klok na pouse lui."

Die twee spring dadelik op. Hulle sien uit na nuwe 'n avontuur ná hul Afrika-safari.

En daar trek hulle saam met Ashtastic.

Die passasiers sien hoe die kinders op die speelgrond speel en hul toebroodjies eet. Ashtastic sweef bo die kinders en soek na 'n plek om te land sonder om die kinders te steur.

"Sjoe! Ons is betyds. "Nou kan ek julle aan my maat voorstel," sê Ash, wat nou in Ashtastic verander het.

"Dis my maat, Umar. Hy's nuut hier," verduidelik Ash. Felix en Felicity groet vir Umar en stel hulself voor.

Umar sit alleen op 'n bankie. Hy hou sy knie vas.

"Wat het met jou knie gebeur?" vra Felicity.

"Bruce Bullebak, die skoolboelie het my gestamp toe ons pouse uit die klas geloop het," antwoord Umar.

Op daardie oomblik kom die skoolboelie na hulle toe aangestap. "Het klein Umar seergekry?" Hy wag nie vir 'n antwoord nie, maar brul van die lag.

Felix gaan staan voor Umar, en keer die boelie van hom af weg. "Ek soek 'n ritme, Umar!", roep Felix.

Bruce, die boelie, val in by sy eie ritme en begin rym: "Felix lyk soos 'n mannetjie van Mars!"

Die groep leerders raak stil.

Bruce weet nie wat om te sê nie.

Felix val in by Umar se ritme en begin rym:

Boelies is nie jou maat,
Boelies maak jou kwaad.

Boelies, bly uit ons pad,
Ons gaan jul geboelie nie langer vat.

Boelies pasop!
Vertel vir iemand, sodat ons boelies kan stop.

Moenie huil of wegkruip as jy 'n boelie gewaar,

Wat daai boelie sê, is nie waar!

Jy hoef nie te vloek, te stry of baklei,
Wys vir die boelie hy sal jou nie onder kry.

Jy hoef nie te skree so hard soos jy kan,
Word net deel van ons weg-met-boelies-span.

Nou is die tyd om op te staan
En boelies vir altyd hok te slaan.

Hy loop druipstert weg. Die groep leerders sing en dans, want die skoolboelie gaan hulle nie weer pla nie.

“Dit was pret,” sê Felicity. “Ons werk hier is gedoen,” sê Felix.

Felix en Felicity klim in hul ruimtetuig en gaan op soek na nog 'n avontuur.

Ukumelana nebhuli

U-Ashtastic, i-Yunikhon (Unicorn) ebhabhayo wabona u-Felix no-Felicity waza wabakhwelisa.

“Ndingxamile. Kufuneka ndibuye phambi kokuba kubethe intsimbi.”

Aba babini batsiba bakhwela, bevuyela olunye uhambo olungaqhelekanga emva kolwe-African Safari.

Bafunquka bemka no-Ashtastic.

Abakhweli abathathu babona abantwana bedlala yaye besitya iilantshi zabo kumabala okudlala njengoko u-Ashtastic wayendanda ekhangela indawo aza kuchopha kuyo ngaphandle kokuphazamisa abanye abafundi.

“Yhoo! Sifike ngexesha. Ngoku ndinganazisa kubahlobo bam.” Utshilo u-Ash owajika wangu-Ashtastic.

“Lo ngumhlobo wam, u-Umar. Umtsha yena apha.” wacacisa u-Ash. U-Felix no-Felicity babulisa u-Umar baza bazazisa kuye.

U-Umar wayehleli yedwa esitulweni. Wayebambe idolo lakhe.

“Litheni idolo lakho?” wabuza u-Felicity.

Ngu-Bruce Bruiser ibhuli (bully) yesikolo, undityhalile xa besiphuma eklasini ngebreyikhi.” Waphendula u-Umar.

Kanye ngelo xesha, ibhuli yesikolo yaya kubo ngqo. “Ingaba usana olungu-Umar lonzakele?” Azange alinde nempendulo, wasuka wamhleka kakhulu.

U-Felix wangenelela wema phambi ko-Umar, emthintela kwibhuli. “Umar, ndibetheli ibhithi (beat)!”, watsho u-Felix.

U-Felix waqalisa ukurepha (rap):

Ibhuli azilunganga

Ibhuli zikwenza ube nomsindo

Sukuzimoshela ixesha ngabo

Ibhuli mazisuke endleleni yethu

Zibhuli lumkani

Ukuba uyabhlushwa xela

Ungazifihli okanye ulile

Izinto ezithethwa ziibhuli bubuxoki

Ungalwi okanye uthukise

Zibonise iibhuli ukuba akukhathali

Akukho mfuneko yokukhwaza

Yiba ngomnye weqela lokulwa
ukubhlushwa

Ixesha lifikile

Lokuphelisa esi senzo sobubi

Ibhuli yenza ibhithi yaqalisa ukurepha. U-Bruce waqalisa ngokuthi: “U-Felix ufana nomntu wasentsomini!”

Igquba labafundi ababebukele lathi cwaka.

U-Bruce wayengazi ukuba yintoni enye amakayithethe.

Wabona ukuba kungcono ahambe. Igquba labafundi lachwayita ngenxa yokuba ibhuli yesikolo yayingasoze ibe yingxaki kwakhona.

“Bekumnandi apha.” watsho u-Felicity. “Umsebenzi wethu siwuggqibile apha.” Waqhube ka watsho u-Felix.

U-Felix no-Felicity banduluka ngesiphekepheke sabo bekhangela olunye uhambo olungaqhelekanga.

Afrika-kinders

Afrika-kinders

Felix en Felicity is terug in hulle ruimtetaug. Hulle het al hierdie ongelooflike avonture gehad, maar hulle bly nooit lank op een plek nie. Dit voel dan ook nou of al die lekkerkry verby is. Of is dit?

Skielik is daar 'n **KNAL**, **KLAP** en **KNERS!** Die ruimtetaug tol en rol, volstoom tot teen 'n groot grys gedoente.

"Wat het nou net gebeur?" skree-vra Felix benoud. Felicity bewe. "Ek weet nie 'n maar ek is baie bang!"

Twee potblou oë verskyn skielik vinnig in hulle venster ... knip ... Felix en Felicity wil wegkruip, maar hulle verstar ...

"Ek is soooo jammer julle, ek het nie die ruimtetaug gesien nie! Ek soek so hard na die krokkenoster, ek kyk nie voor my nie!"

Die vreemde wese tel hulle saggies uit hulle ruimtetaug.

Felix kry eerste sy stem terug. "Ons ... ons ... waar is ons dan nou?"

"Julle is in die Krugerwildtuin. My naam is Xia. Ek is op soek na al die wilde diere."

"Ek is Felicity," antwoord Felicity skaam.

"Wag 'n bietjie, is julle dié Felicity en Felix wat saam met Keschrie, Kylie en Mibono die ongelooflike avonture gehad het? Ek het al so baie van julle gehoor!"

"Ja, dis ons," antwoord Felix.

"Wil julle saam met my diere soek? Ek leer sommer vir julle 'n liedjie!"

Hulle klim by Xia in die vaalgrys skedonk, die enjin brul en vertrek stadig.

"Ons soek die krokkenoster, ons soek die krokkefant, ons soek die krokodil en ons soek die olifant!"

Hulle sien oom Olifant, Losper die leeu, Wikus die wildehond, Kallie die kameelperd, en nog baie ander diere. Soos hulle ry, begin daar so 'n warm gevoel in hulle posvat.

"Ons wil hiér bly," begin hulle dink. Ons hoort in Suid-Afrika, die reënboogland met al sy wonderlike mense waar selfs ons twee vreemde ruimtewesens 'n plekkie het. Hier voel ons tuis ... hier is ons Afrika-Kinders!

Children of Africa

Felix and Felicity are back in their spaceship. They are enjoying all these amazing adventures, but don't stay long in one place. They are also now feeling that all the enjoyment is over. But is it?

Suddenly, there is a **CLAP, CRACK** and **CRUNCH!** The spaceship spins and rolls, full steam against a big grey thing.

"What just happened?" shouts a scared Felix. Felicity is shaking. "I don't know ... but I am soooooo scared!"

Two bright blue eyes suddenly appear in their window ... blinking ... Felix and Felicity want to hide, but they are frozen ...

"I am soooo sorry, you two, I did not see the spaceship! Searching so hard for the croconoceros, I forgot to look in front of me!"

The strange creature lifts them carefully from their spaceship.

Felix finds his voice first. *"We ... we ... where on earth are we now?"*

"You are in the Kruger National Park. My name is Xia. I am searching for all the wild animals."

"I am Felicity," Felicity answers shyly.

"Wait a minute, are you the Felicity and Felix who had the unbelievable adventure with Keschrie, Kylie and Mibono? I've heard so much about you!"

"That's us, yes," answers Felix.

"Do you want to search for animals with me? I'll also teach you a song!"

They climb into the dull grey jalopy with Xia, the engine roars and pulls away slowly.

"We are looking for the croconoceros, we are looking for the crocophant, we are looking for the crocodile and we are searching for the elephant!"

They see Uncle Elephant, Losper the lion, Wikus the wild dog, Gerry the giraffe, and lots of other animals. While they are driving, they start getting a warm feeling.

"We want to stay here," they are thinking. We belong in South Africa, the rainbow nation with all its wonderful people where even us two strange creatures from outer space have a home. We feel welcome here ... here, we are Children of Africa!

ABantwana be-Afrika

UFelix noFelicity babuyele kwisiphekepheke sabo kwakhona. Bazonwabele zonke ezi hambo zabo zinomdla nezingaqhelekanga, kodwa abahlali ixesha elide kwindawo enye. Kwangokunjalo, ngoku baziva ngathi sele kuphele nolo lonwabo lwabo. Kodwa ingaba kunjalo?

Ngokukhawuleza, kuvakala **u-QHWA, QHEKE no-KRWAM!** Isiphekepheke siyasipina siqengqeleke, ngesantya esiphezulu ngakwinto enkulu egreyi.

“*Kwenzeka ntoni?*” wakhazwa uFelix esoyika. UFelicity uyangcangcazela. “*Andazi ... kodwa ndothuke kakhulu!*”

Ngequbuliso kuvele amehlo amabini aluhlaza abengezelayo kwifestile yabo... eqhwanyaqhwanyaza ... UFelix noFelicity bafuna ukuzifihla, kodwa imizimba yayome nko ingashukumi ...

“*Ndicela uxolo kakhuluuuuuu, kuni nobabini, andikhange ndisibone isiphekepheke! Bendikhangela ngamandla ikhrokhonoseros, ndalibala ukujonga phambi kwam!*

Isilwanyana esingaqhelekanga siyabaphakamisa ngocoselelo kwisiphekepheke sabo.

UFelix unako kwakhona ukulifumana ilizwi lakhe. “*Si ... si ... siph i kanene ngoku?*”

“*NiseKruger National Park. Igama lam nguXia. Ndikhangela zonke izilwanyana zasendle.*”

“*NdinguFelicity,*” UFelicity waphendula eneentloni.

“*Yima kancinci, ninguFelicity noFelix aba bebenohambo olunomdla nolungaqhelekanga olungakholelekiyo noKeschrie, uKylie noMibono? Ndive okuninzi ngani!*”

“*Ewe sithi abo,*” waphendula uFelix.

“*Niyafuna ukukhangela izilwanyana kune nam? Ndiza kunifundisa nengoma!*”

Bakhwela kwisikorokoro esigreyi esingacacanga noXia, yagquma injini, sasuka kancinane.

“*Sikhangel a ikhrokhonoseros, sikhangel a ikhrokofanti, sikhangel a ingwenya yaye sikhangel a indlovu!*”

Babona uMalume Ndlovu, u-Losper ingonyama, uWikus oyinja yasendle, uKallie indlulamthi, nezilwanyana ezininzi ezizezinye. Lo gama baqhubayo, baqalisa ukuziva besiba shushu.

“*Sifuna ukuhlala apha,*” bacinga njalo. Singabalapha eMzantsi Afrika, ilizwe elineenkubeko ezininzi elinabantu abamangalisayo, apho sinekhaya, nkqu nathi zidalwa zibini ezingaqhelekanga ezivela emajukujukwini. Siziva samkelekile apha -apha, singaBantwana be-Afrika!

The last adventure in Shoe Land

The last adventure in Shoe Land

“What is this world?” asked Felicity

“Felix and Felicity, is that you?” asked Keschrie. “How do you know our names?” asked Felix. You guys were in a dance off competition on “Between world TV”. I never knew we were on TV,” said Felicity.

“This place is called Shoe Land,” said Keschrie “and you should not go near the Shoeloo.”

“What is the Shoeloo?” asked Felicity. “It’s the queen of all the shoes. She is nasty and will boot you.”

Then there was a noise: **boof, boof!** “What is that sound?” asked Felicity. “It’s the shoe army!” shouted Keschrie. They were coming straight for them. “Run!” shouted Keschrie. She used her shoe wax and rubbed it on the path. Luckily, the shoe army was stuck. This gave them the opportunity to escape.

The code for opening the portal was the tying of shoelaces. It opened and it led to Story Stars planet. “Ok, goodbye,” said Keschrie. “Good bye and thank you for saving us,” said Felix and Felicity.

.....

Uhambo olunomdla nolungaqhelekanga lokugqibela eShoe Land

“Leliphi eli lizwe?” wabuza uFelicity.

“Felix noFelicity, nini abo?” wabuza uKeschrie. “Uwazi njani amagama ethu?” wabuza uFelix. Nina bethuna benikukhuphiswano lomdaniso othi “Between world TV”. Bindingazi ukuba besikwiTV,” watsho uFelicity.

“Le ndawo ibizwa i-Shoe Land,” watsho u-Keschrie “yaye wena akumele kusondela ku-Shoeloo.” “Yintoni i-Shoeloo?” wabuza uFelicity. “Yikumkanikazi yazo zonke izihlangu. Akanalusizi yaye uya kukukhaba.”

Emva koko kwabakho ingxolo: **Dufu! Dufu!** “Sisandi santoni eso?” wabuza uFelicity. “Ngumkhosi wezihlangu!” wakhwaza uKeschrie. Wawusiza kanye ngqo kubo. “Baleka!” wakhwaza uKeschrie. Wasebenzisa iweksi wayiqaba apha endleleni. Ngethamsanqa, umkhosi wezihlangu waxinga. Oku kwamnika ithuba lokubaleka emke.

Ikhowudi yokuvula ipotali yayikukubopha imitya yezihlangu. Yavuleka yaze yabasa kwiplanethi ye-Story Stars. “Ok, usale kakuhle,” watsho uKeschrie. “Usale kakuhle yaye enkosi ngokusisindisa,” watsho u-Felix no-Felicity.

Die laaste avontuur in Skoeneland

“Watse land is dit hierdie?” vra Felicity.

“Is dit julle, Felix en Felicity?” vra Keschrie. “Hoe ken jy ons name?” vra Felix. “Julle ouens was in 'n danskompetisie op 'Tussen lande' TV.” “Ek het nie besef ons was op TV nie,” sê Felicity.

“Hierdie plek word Skoeneland genoem,” sê Keschrie, “en julle moenie naby die Skoenskop kom nie.” “Wat is die Skoenskop?” vra Felicity. “Dis die skoenkoningin. Sy is gemeen en skop jou sommer weg.”

Toe is daar 'n geraas: **boef, boef!** “Watse geluid is dit?” vra Felicity. “Dis die skoenleër!” roep Keschrie uit. Hulle pyl reguit op hulle af. “Hardloop!” skree Keschrie. Sy gebruik haar skoenpolitoer en vryf dit op die paadjie. Gelukkig sit die skoenleër vas. Hulle kry kans om te ontsnap.

Die kode vir die oopmaak van die hek is om skoenveters vas te bind. Die hek maak oop en lei na die Storiesterreplaneet. “Oukei, tot siens,” sê Keschrie. “Tot siens en dankie dat jy ons gered het,” sê Felix en Felicity.
