The screenshot shows a mobile interface for receiving a verification pin. The title is 'Get Verification Pin'. Below it, it says 'Hi, Anastasia'. A yellow oval highlights the text 'Your One Time Pin (OTP) sent via SMS'. Below this, it says 'If the OTP does not work, please e-mail or contact the district to reset'. A red timer indicates 'Pin valid for 4 min 18 sec'. There are three input fields: 'Email address' with the value 'sta*****86@gmail.com', 'Cellphone number' with the value '*****9557', and 'Pin' with the value '7362'. A blue 'VERIFY' button is at the bottom. A yellow circle with the number '4' is next to the Pin field, and another yellow circle with the number '5' is next to the VERIFY button.
