

GESKIEDENIS HG VRAESTEL 1

ALGEMENE KOMMENTAAR

Aangesien Weskaap se kandidate gewoon is aan hierdie formaat vraestel het baie van hulle uitstekende punte behaal. Veels geluk aan alle betrokkenes.

Opstelvrae is oor die algemeen goed beantwoord. Die gepaste inhoudseleksie wat in die meeste gevalle voldoen het aan die vereistes van die vrae is gedoen.

Die meeste kandidate kon die gepaste vaardighede toepas om te voldoen aan die vereistes van die brongebaseerde vrae.

OPSTELVRAE

Die meeste HG kandidate het, toe hulle opstelle geskryf het, die kriteria in die matriks toegepas en is beloon met baie goeie punte.

Hulle kon:

Die vrae baie goed beantwoord

Die relevante inhoud selekteer

'n Relevante gedagterigting ontwikkel

'n Gepaste vlak historiese analise en verklarings toepas

Die opstelle goed beplan en struktureer

Ongelukkig was daar ook kandidate wat nie die relevante inhoud kon selekteer nie. In vraag 1B is aspekte soos verstedeliking, arbeidsonrus en Afrikaner nasionalisme uitgelaat. In Vraag 2B het baie kandidate die parameters van die vraag oorskrei en ook oor die Soweto opstand geskryf.

Die meeste ander opstelvrae is baie goed beantwoord alhoewel dit duidelik is dat kandidate nie 'n vraag oor net die UDF alleen verwag het nie. Ek twyfel of dit ooit weer sal gebeur

BRONGEBASEERDE VRAE

Die meeste kandidate was in staat om bewyse uit bronne te haal en gebruik en die bronne te interpreteer. Ingewikkelde interpretasies en vergelykings het soms probleme veroorsaak (vrae 4.1.2, 4.2.4, 4.3.2, 5.1.3, 6.2.3 en 6.3.2)

HISTORY HG PAPER 1

GENERAL COMMENTS

1. Because Western Cape candidates are used to this format question paper, many achieved excellent marks. Congratulations to all involved.
2. Essay questions in general were well answered. The appropriate selection of contents (factual evidence) did in most cases support the requirements of the questions.
3. Most candidates were able to apply the appropriate skills to meet the requirements of the source based questions.

ESSAY QUESTIONS

4. Most HG candidates applied the criteria in the matrix when writing essays and were awarded very good marks. They were able to:
 - Answer the questions very well
 - Select the relevant content
 - Develop a relevant line of argument
 - Apply an appropriate level of historical analysis and explanation
 - Plan and structure the answer properly
5. Unfortunately there were also candidates who could not select the relevant content. In question 1B aspects such as urbanisation, labour unrest and Afrikaner nationalism were left out. In question 2B many candidates went beyond the parameters and included the Soweto Uprising in their essay.
6. Most other essay questions were answered very well although candidates clearly did not expect an essay question on the UDF alone. I doubt if it will ever happen again.

SOURCE BASED QUESTIONS

7. Most candidates could extract and use evidence from sources and interpret them. Complex interpretations and comparisons sometimes caused problems. (questions 4.1.2, 4.2.4, 4.3.2, 5.1.3, 6.2.3 and 6.3.2)
