

## INTRODUCTION TO ETHNOLOGY

1. The only question with which candidates experienced difficulties with the interpretation of the question paper was question 5, instead of listing too changes pertaining **to particular spheres of life**. After Bantu speakers and Westerners came into contact with each other, they made a list of changes, which were primarily confined, to the economic/technological sphere of life (housing, clothing and transport). It was also evident that certain candidates were groping in the dark when they comment on certain development problems in the third world (see question 5.2).
2. Many candidates registered for the exam but failed to write the exam (see centres B6643, B6646 and B6649 in this regard). Although it is mainly private candidates who registered for introduction to ethnology the matter should be investigated by the department.
3. There are still candidates who have failed to consult the prescribed books "general introduction to ethnology" the book can be obtained from Hand Consultant, PO Box 145 Woodlands 0072

## INLEIDING TOT ETNOLOGIE

1. Die enigste vraag waarmee sommige kandidate probleme ondervind het met die interpretasie van die eksamen vraestel was vraag 5. In plaas daarvan om twee voorbeelde van verandering te noem wat betrekking het op bepaalde lewenstereine nadat Bantoe sprekendes met westerlinge in aanraking gekom het, het hierdie kandidate 'n lys gemaak van veranderinge wat hoofsaaklik beperk was tot die ekonomiese/tegnologiese lewensterein (behuising, kleredrag end vervoer). Dit het ook geblyk dat seker kandidate in die duister rond getas het wanneer hulle op sekere ontwikkelings probleme in die Derde Wêreld kommentaar gelewer het (kyk vraag 5.2).
2. Baie kandidate het vir die eksamen geregistreer maar het in gebreke gebly om eksamen te skryf (kyk sentrums B6646, B6643, B6646 en B6649) in hierdie verband. Alhoewel hoofsaaklik deelydse kandidate vir inleiding tot etnologie registreer, behoort die aangeleentheid deur die departement ondersoek te word .
3. Daar is steeds kandidate wat nie die voorgeskrewe boek "Algemene Inleiding" tot ethnologie gebruik nie. Die boek kan van hand konsultante, Posbus 15 Woodlands, 0072 bestel word.
