

SETSWANA FIRST LANGUAGE HG

The paper has generally been well answered. Most of the candidates scored above 60%.

Question 1: Comprehension Test was well answered. 99% of the candidates did pass.

Question 2: Paraphrasing. Most candidates performed very well in this question, but there are some who copied directly from the passage. Candidates should use their own words and not change the meaning of the text.

Question 3, 4 & 5: Grammar is well taught and mastered by most candidates, but there are still centres that need to pay attention to this section of the syllabus as it consists 60% of the paper.

Question 6: Editing of the sentence was well answered. Candidates should underline their corrections.
