

## **SETSWANA FIRST LANGUAGE HIGHER GRADE PAPER 2**

While the performance of candidates in this examination was generally satisfactory, many candidates had difficulty with the unseen poem. They could not summarize it as requested, but instead just rewrote the poem. This may have been because teachers had not explained to them the requirements of Paper 2, as outlined in detail from the Language Standardization Policy (FET BAND).

Many candidates were unable to cope with the essay questions, especially those essay questions on specific situations, they resorted to just telling the story. This is not how a Grade 11 or 12 pupil should answer this kind of question.
