

## **WELDING AND METALWORKING SG**

1. Generally well answered.
2. Very well answered.
3. Very badly answered for a question requiring facts.
4. Although the true length was very well answered, a large number of centres had not paid enough attention to the drawing of a development.
5. Only a small number of centres could answer this question.
6. Fairly well answered.
7. Fairly well answered.
8. Although the bending moments were very well answered, a large number of centres had not paid enough attention to the drawing of the shear force diagram.
- 10 – 13 Very badly answered.

---

## **SWEIS- EN METAALBEWERKING SG**

1. Is oor die algemeen goed beantwoord.
2. Uitstekend beantwoord.
3. Vir 'n feitevraag is dié vraag baie swak beantwoord.
4. Berekening van ware lengtes is uitstekend beantwoord. 'n Groot gedeelte van die sentrums gee nie genoeg aandag aan die teken van die ontvaning nie.
5. Min sentrums kon hierdie vraag beantwoord.
6. Is redelik goed beantwoord.
7. Is redelik goed beantwoord.
8. Hoewel die berekening van die buigmomente goed beantwoord is, is die teken van die skrifkragdiagram uiters swak beantwoord.
9. Redelik goed beantwoord.
- 10 - 13 Uiters swak beantwoord.
