

School Awards for Meritorious Achievement in the WCED's 2018 Language and Mathematics systemic tests, Grades 3, 6 and 9

Category: Improvement in Academic Performance in Grades 3, 6 and 9

Overall Improvement in Academic Performance: Grades 3 and 6

The WCED presents awards for improvement to 15 ordinary public schools that have shown the greatest improvement in the Grades 3 and 6 Language and Mathematics tests for the period 2016, 2017 and 2018.

The Department will measure improvement by the increase in the number of learners who achieved more than 50% in the tests during this period.

The WCED will present awards in this category to **ten (10) schools** with enrolments of 600 or more learners, and **five (5) schools** with enrolments of less than 600.

The schools will each receive a certificate as well as R10 000 for the purchase of learning and teaching materials.

In the first category of 600 and more learners, awards are presented to:
548 schools were involved in the writing of the tests.

RANK	DISTRICT	NAME OF SCHOOL	GR 3 AND 6 IMPROVEMENT 2015 – 2017
